

Graduation at SIU-SW Saturday

Commencement exercises for 1100 degree candidates at the Southern Illinois University-Southwestern campus will take place Saturday evening, June 13, in the Mississippi River Festival tent. An item in Monday's edition, incorrectly listed Friday for the graduation program.

Ceremonies will begin at 7 p.m. Saturday with a concert by the University Symphony Band. The procession will begin at 7:30 p.m. Principal speaker will be R. Buckminster Fuller, internationally known theorist, designer, mathematician and inventor.

Woman, 80, Falls, Hurt
Mrs. Edith Henry, 80, of 2921 Edwards street, was injured when she fell in her apartment, it was reported at 11 a.m. Tuesday. She phoned her granddaughter and was taken to St. Elizabeth Hospital where she was treated for facial lacerations and abrasions.

Local Educators To Study Atlanta 4-Quarter Year

Harold E. Briggs, assistant superintendent, Educational Service Region, Madison county, Frank L. Kraus, assistant superintendent, Community Unit School District 9, and Gilbert V. Walmsey, building principal, Community Unit School District 9, will take part in a four-day tour to Atlanta, Ga., offered by the Illinois Superintendent of Public Instruction.

In making the announcement, Supt. Page said, "This Tri-Ed tour is presented in response to the resounding interest by school people in Illinois for further information on the four-quarter school year program in Atlanta's school system."

Master Drum Artist to Perform at Venice

Mor Thiam, a master drummer from Dakar, Senegal, who is leading drum artist with the Ballet Nationale of Senegal, will present an outdoor jazz concert from 7 p.m. to 9 p.m. Monday in the tennis courts area at Venice Community Center. It was announced today. Admission will be free and the public is invited to attend. Monday's entertainment is the first of several special cultural programs planned by the Venice-Madison Fine Arts Committee, a newly-organized group which is spearheading efforts to secure entertainers of diversified talents.

The concerts are incorporated with the annual Venice summer recreation program with plans calling for presentation of several cultural events, appealing to all age levels, a spokesman said.

Student Council Plans Car Wash for Saturday

Dave Rouland, newly-elected president of the Granite City high school Student Council, announced that two work projects will be conducted this month during the first meeting of new officers and members.

A car wash will be held Saturday at the Mobil service station at the intersection of Wash and Johnson roads. Cars will be cleaned for \$1.50. The chairman is Janet Bugge.

Members will sell tickets at the Jaycees Homecoming carnival June 18-21 at West 25th street and Missouri avenue. Vicki Harmon is chairman. Janet Bugge, picnic chairman, reported that the council's annual picnic will be held Sunday at Babler state park in Missouri. Only old members and their guests will attend, leaving the high school at 12:30 p.m.

Advisor James Jeffries announced that the council again will send two representatives to the summer workshop of the Illinois Association of Student Councils at Monticello College, Godfrey.

Check Your License. Car Climate Control To Assure Happy Vacation

The many thousands of Illinois drivers who will "hit the road" for their annual vacation trips during the remaining three months of the summer season would do well to observe a number of cardinal rules, Secretary of State Paul Powell observed today.

"First off," he said, "all drivers should check the validity of their driver's license."

"Have you moved and failed to notify the secretary of state's office of your new address?" Powell asked. "If you are a woman and have married since your license was issued to you, have you seen to it that your surname is correct? And, worst of all, have you neglected to have your driver's license renewed?"

If this last is the case and you happened to be stopped by police for some minor infraction, Powell explained, your vacation would hit a severe snag because you would be liable for a large fine in the courts.

Check Cars Thoroughly
Secondly, the secretary said, drivers should thoroughly check out their cars before starting on long trips. The brakes should be tested and the tires exam-

Climate Control Is Proposed for Grigsby Jr. High

The Granite City school board voted Monday night to authorize the Belt & Given engineering firm to prepare detailed plans and specifications to air-condition Grigsby junior high school.

The engineers' fee will not exceed \$1000, and the overall cost is estimated at \$60,000.

Tully A. Heubner, director of buildings and grounds, told the board, "As you will recall, the air-conditioning system for this building was designed with the original plans and was bid as an alternate."

"At that time, the bid alternate was not accepted. Therefore, no professional fees were paid. If it had been accepted at that time, the fees would have been about \$5000."

"While the design is completed, the cost for the engineering services will include some minor revisions to the specifications, printing and drafting costs, other reimbursables and some reimbursement for the original design."

Because cooling was an integral part of the Grigsby school design, problems have been encountered in adequately ventilating interior rooms.

Kirkpatrick Teen Club Plans Tuesday Dances

A local teenage group, recently re-organized into the Young Americans Club of Kirkpatrick Homes, will sponsor a series of summer teen dances from 6:30 p.m. to 8:30 p.m. each Tuesday evening at the Kirkpatrick Homes, recreation center.

The first dance, held Tuesday evening, attracted more than 50 young people. Area youths, 13 and 18 years, are eligible to attend.

Cost of admission is 25 cents for club members and 35 cents for non-members. Membership fee in the Young Americans Club is 35 cents per teenager.

Mrs. Shirley Fowler and Mrs. Doris Gaines, YAC advisers, noted that establishing a weekly dance program was greatly assisted by donation of a jukebox to the housing project recreation center by the P&S Amusement Co., 2200 East 24th street.

Further assistance has been offered the new organization by the Tri-Cities YMCA, which is arranging for the appearance of different music groups at the Kirkpatrick Center. The live bands are expected to perform on Tuesday each month, Mrs. Fowler said.

Sue Sanders serves as president of the teenage club, with Jimmy Holt acting as liaison officer, the adviser said.

Jr. College Workshop Planned at SIU-SW

Area higher education administrators and college faculty will serve as consultants for a two-week workshop on the community junior college to be held at SIU-SW campus June 15-26.

The workshop will consist of a survey of the community junior college movement with special emphasis on Illinois and Missouri community colleges and their unique programs, according to workshop coordinator George Goodwin, associate professor in the Education Division at SIU-SW.

MORE ABOUT

Johns-Manville

14,000-square-foot warehouse was built for storage of dry felt, which is the basis of asphalt shingles and roof roofing products.

In 1965, the company erected 13 slate silos for storage of various colors of granules used in production of asphalt roofing.

In early 1961, the plant was acquired from Celotex by the Johns-Manville Products Corp., which began operations on May 1 of that year. Johns-Manville has headquarters in New York City and employs over 21,000 persons at its plants and sales offices.

The Johns-Manville Corp. started as a one-man operation and is now 112 years old. It consists of 11 divisions, one of which is the building division.

The Madison plant is part of this building products division and is known as the Johns-Manville Products Corp. Foreign Markets

Johns-Manville anticipated the growth potential in Europe and the Far East. To realize this potential, expanded sales, production and engineering organizations were established and led to rapid development of the company's international operations, with sales offices set up in Germany, Spain, Italy, the Middle East, Africa and Asia.

With the expectation of continued rapid growth in the European Common Market, the company has increased production facilities in that part of the world.

The Madison plant has warehoused a large majority of the company's products from other plants for shipment to customers, as well as the roofing made here. Shipments have been made by trucks and rail cars.

The plant is situated on 23.7 acres of land with approximately 200,000 square feet under roof.

In the early 1960s, it built an additional warehouse 180 by 232 feet.

Many Safety Awards
Employees of the Madison plant have maintained an effective safety record, winning the Asphalt Roofing Industry's safety plaque in a number of years. The plant also received an award from the National Safety Council for operating two years without a "lost time" accident.

Closely associated with the Barber Asphalt firm and local civil affairs for many years, M. S. Darrow was in charge of the local operations from 1914 to 1941.

William J. Hart succeeded him in 1941-43. Everett Lyons in 1943-44, and Manager McHugh was here from 1944 to 1945, when Fry Roofing bought the plant.

With Celotex the next owner of the plant, Franz J. Alfels was manager from 1946 to 1953. Marion M. Hambrick 1953-55; Alfred R. Bideaux 1955-60; and A. W. Buchner, William L. Milmore and Buyer in the past decade.

Nameoki Tax Collections to Start June 22
Nameoki township taxpayers may begin making their 1970 tax payments by mail next week, and will be able to make payments in person beginning Monday, June 22, Edgar Patrick, town collector, announced today.

Patrick said bills for all Nameoki township taxpayers will be mailed by the end of this week. Starting Monday, he said, those who wish to pay by mail may send their payments to him in care of the Nameoki township office, 4290 Highway 162, Granite City.

The regular tax collection period at the Granite City Trust & Savings bank, where Nameoki tax collections have been made for many years, will begin on June 22 and will be conducted daily, concurrent with regular banking hours, through July 17.

Meanwhile, preparation of tax bills for Venice township residents was under way at the office of Town Collector Frank Reidelberger Jr., Fourth Street and Madison Avenue.

May Start June 29
Reidelberger said he tentatively plans to begin collections on June 29, although that date is subject to change. He said he anticipates another two and a half weeks work on preparing tax bills before collections can begin.

Nameoki township taxpayers will be billed this year for payment of \$1,786,596 in local taxes, compared with \$1,578,581 last year. In Venice township, taxpayers will be billed for local taxes totaling \$3,117,889, for payment this year, compared with \$2,859,726.

E. R. "Pat" Rich, Granite City treasurer, has not set a specific date for beginning collections, but said he expects to be ready by the end of this month. Collections have been under way several weeks in Chouteau township.

Levee District Removal From Politics Urged

A recommendation that the East Side Levee and Sanitary district "be divorced from politics" and that other members of the board of trustees be removed was made Tuesday by the January board of trustees of the East Side Levee and Sanitary district.

In its report ending the six-month grand jury session, during which the jury indicted four members of the levee district's board of trustees on charges of misconduct in office, the jurors said:

"This grand jury found that patronage was rampant and that there is a virtual collapse of responsible government in the East Side Levee district. . . . The trustees of the levee district, instead of acting as guardians of the administration of the district, have virtually ignored Illinois statutes controlling their office and have used their office to further their own political careers."

The jury recommended that "the East Side Levee and Sanitary district be divorced from politics and that St. Clair county, Madison county and the state of Illinois study other avenues in which the levee district can be governed, possibly by the Army Corps of Engineers."

Criticism School District
The grand jury also severely criticized financial operation of East St. Louis School District 189 and then, in a reference to both the levee district and school district, reported:

"It was noted by the grand jury that too often the same names kept appearing in financial transactions of these governing bodies, suggesting collusion."

"Any case involving malfeasance in office by public officials should be concluded as quickly as possible, without continued delays. Only in this way can justice be served and public confidence restored in the offices."

The four members of the levee board—Morris Campbell, Lawrence Tolar and George Duff of East St. Louis, and William "Mike" Eberhart of Venice, were indicted by the grand jury on charges that the trustees failed to call bids and obtain performance bonds in the letting of contracts in two major tunnel repair jobs on the riverfront.

Involves Lawyers' Salaries
The eight-count indictment also charged violation of statutes limiting to \$3500 the salary of a levee district attorney and permitting the district to employ only one attorney.

Meanwhile, John R. Sprague, Belleville, one of the attorneys representing the four levee board trustees, filed in circuit court at Belleville a brief which argues there is no actual conflict of interest in the fact that the defendants are being represented by attorneys who also are lawyers on the levee district payroll.

The brief was filed with Circuit Judge Alvin Mayes who has been assigned to hear the levee board case. He has said he will rule on all motions and briefs by July 16 and begin trial of the case on that date.

Trespassers at Shale Pit Being Arrested
An annual crackdown to prevent youths from trespassing on private property containing a shale pit in Edwardsville was started this week by Edwardsville police.

The pit is an abandoned, water-filled brick yard clay pit and is considered dangerous to swimmers because of the depth and cold temperature of the water.

Police arrested eight youths at the pit on trespass charges Monday afternoon, including two from Granite City. They are Mark P. Hill, 17, and James R. Thiele, 19.

Federal Tax Course Now Being Offered
A preparatory course providing a complete review of federal taxation, procedures and the rules of practice before the Internal Revenue Service is being conducted for candidates of the Treasury Card examination to be held Sept. 28 and 29 by IRS.

Successful candidates will be awarded their Treasury Card non-credited course. For details on the course, interested candidates may contact Eileen F. Baker, 646 Dixie Highway, Beecher, Ill. 60401, phone 312-946-6433.

Air Board Meeting Cancelled; No Quorum

Last night's scheduled meeting of the Granite City Air Pollution Control board was cancelled as only two of the commissioners appeared.

Henry S. Biernicki, chairman, and Alderman Samuel Whimer were present, and Biernicki adjourned the meeting at 8:15 p.m. for lack of a quorum.

Four persons were present to hear the proceedings which were to have included a report by Prof. Erwin Hoelscher, the board's technical secretary, on the pollution problem with coke ovens at the Granite City Steel Co. blast furnace plant.

tion to fill in the old swimming pool at the Madison recreation center, Seventh street and Las avenue, and to resurface it for some other recreational purpose.

Third Ward Alderman Stanley Krakowicz said the pool has deteriorated, is unsanitary and would cost more to restore than it would to build a new pool.

Haynes objected that the pool should be used for what it was intended — swimming — and called for further study. "You can't hide your sorrow with a load of sand."

When Kismar asked why the pool, built in the late 1940s, had not been in use for the past 17

years, City Attorney Nick Vasiloff said the pool was closed initially to assure continued segregation. Later, estimates showed it would be costly to repair and reopen.

Haynes and Fifth Ward Alderman Booker Walton voted against the resolution to eliminate the pool.

Raze Buildings
Deteriorated buildings and tall weeds in the city were given lengthy consideration by the council.

Haynes said he and Walton themselves tore down six buildings in West Madison. He demanded that debris be removed immediately, as it constitutes fire hazards and insurance companies are cancelling policies because of it.

It was decided to use three part-time employees, authorized previously as vacation replacements for the street de-

partment to haul away the rubble. Locations include 905 Washington street, 821 Madison street, the rear of 301 West Third street, 806 Madison street and 601 West Third street.

Haynes said the legal process in getting rid of the buildings would have taken six to 10 years. The legal aspect of razing dilapidated structures was reviewed by Vasiloff and Corporation Counsel John Gitchoff.

First Ward Alderman Donald Reeves said property at 1603 Second street, owned by the Francis agency, should be added to the list. A building on the southeast corner of Fourth and State streets also was mentioned for razing action.

Cut Tall Weeds
Reeves called for the city health officer to check areas with tall weeds and to get them

cut before mosquito spraying starts. Second Ward Alderman Donald Broyles said weeds were high at the new Zimring Co. facility at the industrial park.

Mayor Kozelek said, "The health officers have the power to issue directives to this extent. It's their job. Get after them."

A contract for \$2920 was awarded to the G. H. Sternberg Co. for drainage improvement in the alley between Second and Market streets. Sternberg was the sole bidder.

The mayor announced that Andy Dubish had resigned as city humane officer, and the council approved the appointment of Jack Cory, 1923 Harris street, to succeed him effective last June 5.

The council and city planning commission are to hold an informational session at 7 p.m.

MORE ABOUT Township

creasing number of areas in Namook township have been plagued levee district and township officials for several years. The levee district lacks funds for any sizeable improvements and a program advanced by Eberhardt early this year, calling for about \$300,000 worth of drainage ditch improvements in the township, is now being held in abeyance because of the district's financial problems.

The debate over drainage problems developed into a revived discussion of improvements demanded by residents on Snowbird lane, Bluebird lane and Nightingale court in the Parkview Estate subdivision.

The discussion also renewed the argument by residents of the area that the township highway department is responsible for maintenance of the streets, although Charles Hanks, township highway commissioner, maintains the streets never have been accepted into the township's street program.

Has Acceptance Form Whittell, however, produced what he said was an acceptance form, signed by Hanks. A man in the audience asked Hanks if he had signed the paper. Hanks replied that he had.

"Then you still say that the streets haven't been accepted by the township?" the man asked.

"That's right," Hanks replied, adding that "those (forms) don't mean anything." Hanks said he is arranging a hearing with the county superintendent of the county highway department and that any residents of the area who cared to do so could attend the hearing with him.

"I can't understand how we have these signed forms accepting the streets and then contend they have not been accepted," Whittell said. He handed the papers to Schooley and asked for his opinion.

Forms Mean Acceptance Schooley checked the forms and said "This means they have been accepted." Whittell then asked Schooley to explain what recourse the residents have in their efforts to get the streets repaired.

Schooley replied that a request for the repairs may be made of the township highway department and if not accepted, taken in ten days, a petition, signed by three residents of the area, may be filed with the county highway department. The county highway department then orders a hearing in the matter, he said.

7 Persons Hurt In 14 Traffic Accidents Here

Seven persons were injured in 14 traffic accidents which occurred since Monday on Quad-City area streets and highways.

Three persons were injured when autos driven by Carl L. Shelton, 40, of 1012 Joy avenue, and Rocky L. Gray, 17, of 1911 Sken street, Madison, were involved in an accident at 9:30 p.m. Tuesday on Eagle Park road a quarter-mile west of Route 203.

Taken to St. Elizabeth Hospital were the drivers and Shelton's son, George, 15. Shelton was treated for multiple abrasions to the forehead.

Gray had chipped teeth and abrasions to the elbow and jaw. All were released following treatment and x-rays.

William R. Barnhart, 20, of 2106 East 24th street, was struck by a car driven by Donald W. Naeve, 26, of 2305 St. Clair avenue, shoving it into the rear of a car driven by Helen Winters, 234 Adams street, at 10:50 a.m. Wednesday at Niedrhausa and Edison avenue.

The Naeve and Winters autos were stopped in traffic. Naeve complained of pains. Karen C. Randall, 21, of 34 Victory drive, suffered minor injuries when the left side of her auto was struck by a car driven by Brenda Hickman, 16, of 2144 Lee avenue, who attempted a left turn onto East 23rd street from Nameek road.

The Hickman girl was charged with violation of an instruction permit and with a right-of-way violation.

Jessie Davis, 46, of 3116 Jill avenue, walked into the emergency room at St. Elizabeth Hospital at 1:30 a.m. Wednesday with injuries he said were sustained when his auto rolled over. He was treated for small cuts to the nose and abrasions to the left shoulder and was released following x-rays. Location of the mishap was undetermined.

American Steel Worker Takes Prized Color Photo

A color photo of molten steel, snapped by an engineering employee at the American Steel Foundries' Granite City plant, has become the cornerstone of that company's first four-color advertising program.

The new ASF campaign carries the theme, "The Stronger Steel People," and it is appearing for the first time this month in railroad and mining trade publications, Graphic Persuasion, Inc., Chicago, ASF's newly-appointed agency, created the ads.

"Joseph Liszewski, 1907 Rhodes street, Madison, a test engineer at the Granite City plant, photographed a river of molten steel flowing from one of the company's new, three-story high electric furnaces,

and the photo was impressive enough to initiate our first four-color corporate image program," said J. H. Lund, ASF's manager of marketing services.

"We even think that our people are highly versatile and capable of performing a wide range of services for other companies," Lund added.

The theme, "The Stronger Steel People," also will appear in Chicago product advertising.

ASF, a Chicago-based operating unit of Amsted Industries, is a major producer of steel castings and forgings for railroads, trucking, construction and mining.

Teacher Marns Perfect Record—On Last Day

Mrs. Dorothy McCormick of Collinsville, second grade teacher at Stallings school, was to retire from a long teaching career upon dismissal of classes today—the last day of school.

What is more, Mrs. McCormick could boast a perfect attendance record during the four years she has taught at Stallings school. Principal Edward Biznek noted that Mrs. McCormick has never missed a day for illness or other reasons.

But this morning, Mrs. McCormick suffered the only misfortune on her otherwise unblemished attendance record.

Entering the front door of the school building, the teacher tripped and fell.

She suffered a leg fracture, which was taken by ambulance to St. Elizabeth Hospital—missing the last day of school, and the last day of her teaching career.

Ear Torn by Dog
A nine-year-old girl whose right ear was torn partially loose when bitten by a dog was admitted at St. Elizabeth Hospital at 8:25 p.m. Wednesday.

Tina Mayes, daughter of Mr. and Mrs. Donald Mayes, 1409 Madison avenue, had 11 sutures before being admitted for further treatment.

3200 TV Set Stolen
A 32-inch console television set valued at \$200 was stolen from the home of Wilmer Tife, 2218 Ohio avenue, he reported at 4:35 p.m. Monday. The front door had been left unlocked, police were told.

Philips, bed covers and house keys were stolen from the house at 803 (r) Grand avenue, according to report to Madison police at 9:40 p.m. Tuesday by Miss Helen Donoff, 803 Grand avenue. Police said the articles were taken by former tenants of the house who recently moved to a new address.

Burglars broke into the home of Linda Adams, 2822 West 22nd street, by prying a bedroom window screen after 1 p.m. Wednesday, she reported at 11 p.m.

Taken were a plaid bag with an unknown amount of money, five pairs of shorts and blouses, five pairs of slacks and matching jackets, three pairs of mens dress trousers and a box of blank checks from the American National Bank.

Gary Holman, 1108 Grand avenue, Madison, was robbed of \$25 cash about 3:25 a.m. Tuesday by two men and a woman, Holman reported to Madison police.

Holman said that as he was leaving Garrett's tavern at Second and Jackson street, the trio accosted him and one of the men placed a knife at his back and told him: "We want your money."

SODA Board Session
An executive board meeting of the Save Our Depot Association reached no decision last night on selection of a new chairman of the SODA board, it was reported today. A general discussion of the vacancy was held but no action taken. Gilbert Novotny, chairman of the executive board, announced his resignation recently, creating the vacancy.

Amvets Installation Set Sunday, June 28

Plans for the installation of Quad-City Amvets Post 51 officers were completed last evening at a meeting at the Post House, 5100 Lakeview drive. The event is set for 2 p.m. Sunday, June 28.

Elected at the May 27 meeting were William Sherman commander; Rex Manninger, first vice-commander and 25th district commander; Ben Sanders, second vice-commander; Charles Wilkins, third vice-commander; and Floyd Tucker, adjutant.

Others to be installed include Steve Konkovich, public relations director; Carl Brunitt, historian; Marv Hunter, service officer; Earl Smith, membership chairman; John Wamander, Leo Clements as provost marshal.

Sherman said Charles Howard of Mt. Vernon, past Fifth Division commander, will serve as installing officer. A barbecue is planned with the installation at the Post House.

Clements, who presided at the meeting, presented a Certificate of Americanism and Patriotism to Post 51. The award was bestowed on the local veterans' group Sunday by Edward Miller of Peoria, Third Division commander, marking the local Amvets' part in the Venice tribute.

Planning Starts for Class of '40 Reunion

Initial planning has started for the 30-year reunion of the 1940 January and June graduating classes of Granite City High School, with the arrangement committee seeking current addresses of several class members, organizers said this week.

The observance is set for Saturday, July 18, at the Stratford Hotel, Alton, with a dinner-dance presently being arranged for 1940 GCHS graduates. Reservations should be mailed as soon as possible.

Names and addresses of "Class of '40" members, whether residing locally or out-of-state, may be registered with any of the following reunion committee officials:

January graduates — Ruth (Baumberger) Tanner 787-0495; Mike Reinhardt, 877-0015; and Fred Cunningham, 876-0196.

June graduates—George McDaniels, 452-1187; Lois (Lux) Hollenbeck, 877-4332; and Clarence Hoy, 931-3349.

Those whose addresses are being sought, include—Betty Best, Warren Martin, Helen Missett, Goldie Kolk, Tennip McDonald, Irene McGowan, Mary Graver and Waldo Grigloff — January; and James Sorrells, DeWitt Wyatt, Frances Thomas, Delore Birmingham, Florence Andrews (Norris), Marjorie Boekm (Sparks), Howard B. Jones, Regina Kries, Norma Pinkerton (Dickerson), Louis Modglin, Dorothy Oetzel, Joe Ranger, Marge Reed and Helen Raschke—June graduates.

Shed Lock Pried Off
John Montgomery, 2612 East 26th street, reported at 8 p.m. Wednesday that the lock on his shed was pried off, but nothing was missing.

Bids Vary on Sewer Line to New Junior High

Opening widely differing bids Monday night on installation of a force main to connect a new junior high-grade school with the sanitary sewer system, the Granite City school board deferred action until its June 22 session.

The advance estimate was \$96,300. Eugene Lippold, Construction Co., Carlinville, bid \$55,325; A. H. Seesholtz, Granite City, \$80,700; M & I Construction, East St. Louis, \$80,977; and G. H. Sternberg, Granite City, \$104,834.

It will be necessary to route the line from Maryville road south along Route 203 and Namook road to and beyond the curve at Pontoon road.

The board declared Friday, July 3, as a holiday for the staff on duty that week.

Under the Title I federal program for the first time having sufficient funds to employ non-student aides during the summer session, the board hired as temporary part-time aides Brenda Sawyer, 4005 Sara avenue, Angela Stilt, 2201 Cleveland blvd., and Kathleen Willis, 2808 Edwards street. Cynthia Todoroff, 3127 Colgate place, will serve as a substitute when needed.

It was decided to create a part-time position for physical education instruction of special education children at McKinley and Wilson grade schools.

Greenview College was authorized to place a student intern here during the next year.

It was voted not to add bridge instruction to the adult education program, vocational and recreational subjects have been avoided, with emphasis instead placed on basic education and job-related courses.

Approval was given to Local 120 and the National Joint Painting and Decorating Field Committee to hold 20 four-hour evening journeyman painter training sessions at GCHS beginning in July.

Aid to War Prisoners Is Discussed by Gillie
Expanded efforts to gain more humane treatment for U. S. prisoners of war in Vietnam were outlined by Melvin L. Gillie, 1969-70 Tri-City chapter chairman, at the June meeting of the Red Cross board Tuesday at the Trust and Savings Bank.

Gillie also reviewed Red Cross disaster aid in Peru, site of a major earthquake May 31. William F. Winter discussed the 1970 national meeting and Mrs. Ruby Overbeck reported 385 services to military families and financial aid of \$943 in April and May. August Sacadat and Joseph Smith discussed development of a new area disaster plan.

Suffers Facial Burns
John Stanton, 38 of 2120 Amos avenue, sustained second degree burns to the face and left forearm shortly before 11 a.m. yesterday when the radiator cap of his auto blew off. He was treated at St. Elizabeth emergency room and released.

MEN AND MIDGETS. Three drivers with strong chances to knock Jimmy Caruthers out of first place in the USAC Midget points standings are: Dave Strickland (top right) now in 4th place, at top left shown coming out of a dirt track turn; Merle Bettenhausen (middle pictures) is one of the youngest drivers in the USAC caravan at 27 and currently stands 2nd; Bob Tattersall (lower left and right) is the "old man" of the caravan at 45 and is the defending midget champion.

Sprint Cars Friday, Midgets Race Sunday

Sprint car drivers are hoping it won't rain and again plan to race Friday night at the Tri-City Speedway. If it does rain Friday, as it has on so many Fridays, there is still a good chance that fans will see some first-rate racing this weekend. A U. S. Auto Club (USAC) sanctioned race will be held here Sunday evening with pocket-battle-ship-like midget cars. USAC reports that 35 cars and drivers will be here, including current midget champion points leader Jimmy Caruthers (74.80).

Others here will include Merle Bettenhausen, second in the standings with 64.50; Bob Tattersall, third, 62.00; Dave Strickland, fourth, 47.00; Hank Butcher, fifth, 47.20; Bob Wente, sixth, 36.65; and John Parsons, seventh, 35.90. Ninth-placed Chuck Weyant and tenth-placed Roger Branson round out the members of the top ten who will be here. Only Jerry McClung, eighth, will not be on hand. Fourteen feature races of the midget season are completed.

Top-Notchers Due
The supermodified sprint car field here Friday will likely include some surprise visits by top-notch drivers, since the special-races agenda for sprint cars of both USAC and NASCAR are blank for Friday. Sharp drivers certain to be here are Wib Spalding, Dick Sutcliffe, Bill Utz, Jimmy Moughan, Bobby Sitz and Russ Hibbard. Spalding, who also may drive a midget car Sunday, is currently on top of Capital Racing Association standings at both the Tri-City Speedway and the Jefferson City, Mo., track. Sutcliffe will be driving at Tri-City for the first time since his auto was damaged in an accident here a month ago. Utz set a track record in time trials at Jefferson City last week but finished second behind Spalding in the feature. With his high torque auto, Utz will be trying to qualify best again and earn the pole position in the feature. While he's doing that, he may break the Speedway lap record currently held by Spalding. Moughan will have a big good luck charm. He will be driving Spalding's former auto; Spalding has a new one. Sitz on Sunday won the feature at Springfield, Ill., breaking the five-week feature vic-

tory string of Bobby Jones. Jones may also be here. Sitz won last week in a spanking new car. Friday's racing here will be the second outing for the car.

Russ Hibbard, a former standout at the local track, will be here for the first time in several years. His brother Roy Hibbard, has been here more recently.

Time trials, as always, on Friday will begin at 7:30 p.m. and racing is slated to start at 8:30 p.m.

A similar time schedule is set for the USAC midgets-Sunday. Warmup and practice laps will begin after 6 p.m.; time trials at 7:30 and the racing program at 8:30.

After qualifying is completed, the midget program will be in order, a trophy-handicap dash event, four heat events, a semi-feature and a 30-lap feature. Bob Wente won the first midget feature here last season. Mel Kenyon won the second of last season, with Wente as runnerup. Les Scott won the midget season's finale, with Tattersall coming in second, Chuck Arnold third, Bill Engelhart fourth and Kenyon fifth.

Record Setters Back
All the Tri-City midget track recordholders will be here. The midget records are, surprisingly, not far off the overall track records held by the sprint cars. Scott set the 30-lap record in last season's finale. Kenyon's win in the second feature last year set a 40-lap record. Kenyon also set the trophy dash (six laps) record the same day. The one-lap midget record has stood since September 1968, when Engelhart spun around the half-mile dirt oval in 24.11 seconds. Don Vogler owns the 1966 three-lap record. Other same drivers to be here Sunday are: Mike McGreevy, Bill Renshaw, Larry Rice, Mel Cornet, Roger West, Dick Jones, Ray Elliott, Gary Irvin, Don Brown, John Batts and Bob Hauck.

Allen Alternate for Hurdles Events in 20-State-Tourney

Mike Allen, GCHS hurdles record holder, is an alternate to attend the Golden Midwest Invitational track and field meet which will draw prep athletes from 20 states to Elmhurst, Ill., Saturday.

Last week, Allen competed in the Midwest Classic invitational meet at Mexico, Mo. He was judged the runnerup in two events which were photo finishes.

Official stopwatches showed Allen running the 300-yard intermediate hurdles in 37.4 seconds and 180-yard low hurdles in 19.5 seconds. Both clockings were identical to those of the winner of the events, the Missouri state high and low hurdles champion.

The intermediate hurdles time is the second best prep mark in the nation this year.

Allen also took third in the 120-yard high hurdles with a 14.6 time.

The Golden Midwest meet, having seeded the athletes far in advance, ranks Allen as the No. 7 hurdler in the 20-state region. Only six hurdlers are invited. If one of the six re-

ports that he can not attend at the Midwest Classic last the meet, Allen will compete, week, he may prove the official On the basis of Allen's show- seedings to be in error.

Guelker U. S. Coach For Soccer Olympics

Robert M. "Bob" Guelker, coach of the Southern Illinois University - Southern campus soccer team, has been named coach of the United States soccer squad for the 1972 Olympic games to be held in Germany.

Wilson T. Hobson Jr., chairman of the 18-man soccer selection committee, said, "Eight outstanding coaches were nominated for the position. Bob Guelker's choice grew out of his wide range of experience and knowledge of the game."

Hobson cited Guelker's record in collegiate coaching at St. Louis University and at SIU-

will try to make the 16-team field, Hobson explained.

Also to coach at Pan Am Games is Guelker's choice as coach of the Olympic squad automatically makes him coach of the U.S. team to take part in the 1971 Pan Am Games in Columbia, South America.

Hobson praised Guelker's past experience. He served as coach of the U.S. National Junior Soccer team in 1964. Last spring, he took the SIU-SW squad to compete in the University College of Dublin tournament in Ireland; 10 university teams from five countries took part in the tournament.

Guelker coached (1955-1960) St. Louis CYC All-Star senior amateur soccer teams in exhibition matches against foreign touring teams which included such first division professional teams as Glasgow Celtic, Dundee F. C., Third Lanark F. C., Manchester United, Manchester City, Everton, Sheffield United, Wolverhampton, Sochaux F. C., France, and Saarbrücken F. C., Germany.

This fall, Guelker will field his fourth Cougar soccer team.

ROBERT GUELKER

SW: 95 victories, nine losses and four ties at St. Louis and 23 wins, four losses and one tie at SIU-SW.

Four Groups Participate
Hobson pointed out that the four main organizations in which amateur soccer is played in the U.S. today were represented on the selection committee.

These include the U.S. Soccer Football Association, the National Collegiate Athletic Association, the National Association of Intercollegiate Athletics and the military.

"Bob Guelker has earned the respect of all these groups and we know he'll do a tremendous job preparing our soccer players for the long grind of qualifying for the eliminations to make the 16-man Olympic field," Guelker said. "The Olympic qualifiers for the Olympics in Germany," Hobson said.

Rally by Jeanne's Offsets Rally by Jets Squad, 11-10

Jeanne's French Quarter came from behind to beat the Jets 11-10. Bricklayers beat Cardinal Tavern 15-9 and Eagles shut out Odobals 10-0 in Western Classic softball at Worthen Park Monday.

The Jets struck six hits in a row, including Ray Charles' home run, for five runs in the fourth to gain an 8-2 lead. Jeanne's tallied four runs in the fifth and five in the top of the seventh, using 12 hits in the two innings. The Jets responded in the last frame with two runs and left runners on second and third as the game ended.

The Bricklayers broke loose for 12 runs in the fifth and sixth innings for the victory. A home run by Mick Sues and four doubles were part of the eight-hit, seven-run fifth frame.

Chuck Morris collected two triples, a double and a single in four trips to the plate for Jeanne's. The Odobals garnered ten hits but could not combine them sufficiently to score in any inning.

Why pay up to \$259* more for a compact when Maverick gives you all this?

Why pay more when Maverick saves you money right from the start? It's how you figure it... size, power, economy... Maverick gives you more in the bargain!

Maverick is no lightweight. Its wide tread and stability makes for a sure grip on the road. Yet there's no excess weight to cause acceleration lag or reduce fuel economy.

Maverick is perky. Some competitive makes have four cylinders. Maverick's got a 170 CID six-cylinder that delivers 105 hp. It gets you up to expressway speeds in less than 15 seconds... without getting you in hock at the gas pumps.

Maverick is economical to drive. Test drivers averaged 22.5 mpg in simulated actual driving conditions. This means you could go up to 350 miles or more between gas stops.

5th Annual Baseball School to Open Next Week at LaSalle, Ill.

Registration is in progress for the fifth annual Illinois Valley Baseball Tryout School and Clinic.

The school is for boys interested in entering professional baseball. June 18-21 will be the first four-day school for the 16 to 21 age group. A second school for that age group will be held Aug. 12-16.

Because of the great demand in the past, there will be eight age groups from June 25 through Aug. 9. These schools will be conducted the same as the try-out schools for the older boys.

The school was successful in placing its first player in pro baseball this spring when Mike McDonald of Pekin signed with the St. Louis Cardinals club. St. Petersburg, Fla., farm club. He was just called up to Arkansas in the Texas League.

The school is unique in that it invites scouts from every major league club, in addition to its regular staff of Steve Zito (Pittsburgh Pirates), Russ Meyer (Milwaukee) and Wes Rinker (St. Louis Cardinals). In addition, it invites many college coaches who are looking for talent.

Six sessions are held during the four-day school—four day sessions and two night sessions. The entire sessions are spent playing baseball. In addition, chalk talks are conducted, along with movies to help the prospective players.

Again this year, the boys will be housed at the Kaskaskia Hotel in LaSalle. All games will be played at Washington Park in Peru. This year, there also will be an umpiring school. Boys aged 15 to 25 are eligible to register. Registration may be done by writing the I. V. Baseball School, in care of the Kaskaskia Hotel, LaSalle, Ill., or calling 815-223-1200.

Mercer in Home Game, Could Take 1st Place

With the halfway mark of the Inter-City Baseball League season drawing near, Mercer — with a chance to move into first place — will greet Highland at Wilson Park Sunday at 2:30 p.m.

Bellemore Sporting Goods (1-6), riding on its first league win of the season, will visit Collinsville (4-5), and East Alton (6-2), will be at Maryville (4-4) at the same time Sunday.

East Alton is still the league leader with a 6-2 record. The Machinists beat the Maryville Braves 3-1 during May. Both of East Alton's losses were inflicted by Mercer.

Mercer (5-2) will be facing Highland (2-3) for the first time; an earlier scheduled meeting was rained out.

FIRST-PLACE TROPHY. Mrs. Christine Shaffer, president of the Quad-City Kennel club, inspects the top award to be presented at a fun match and obedience trial sponsored by the club Aug. 9. At left is Mike Worthen.

Club to Host 4000 Dog Owners Here on Aug. 9

The Quad-City Kennel club, which will sponsor its first annual all-breed "fun match and obedience trial" on Aug. 9 at Wilson Park, has received the first trophy to be used in the show. Mick Worthen, proprietor of Club Luna, presented the first trophy and a musical group, "The Mark Lee Sound," provided a second trophy.

Mrs. Christine Shaffer, president of the organization, has accepted the trophies. She expects the show to attract over 4000 dog owners from six states. The club plans to present 450 ten-inch class trophies; 24 group trophies, each 25 inches tall; and one 42-inch "best in match" trophy, the latter to be on display at the First Granite City National Bank.

Proceeds from the show will be given to the Granite City Junior Service club for use in aiding school children, by purchasing eyeglasses and shoes, and to the Animal Shelter board of Granite City.

Mrs. Rose Ficken and Mrs. Ann Stepanek, 877-5867 or 931-5583, are handling contributions to purchase the trophies.

Jacobsmeier Team Rallies, Wins 12-11

Eagles clobbered B&A Bombers 12-0, Jacobsmeier beat Cobras 12-11 and Midtown Pharmacy topped Jets 9-6 in high school boys' softball at Wilson Park Tuesday.

The Eagles built a 21-7 hit advantage, including a homer by Don Harris. The Cobras collected hits and runs in each of three early innings to gain an 11-2 lead but were hitless and scoreless otherwise. Jacobsmeier tied the game, scoring two, four and three runs in successive innings, and won in the bottom of the seventh on Jeff Gabriel's single, driving home Dan Kueneman.

The Jets scored four in the opening frame and two runs in the last inning, but in between, Midtown capitalized on errors and tallied nine runs on nine hits.

On Saturday at noon, Bellemore will host the Roxana Sox in an exhibition game in Wilson Park.

Heavy Hitting in Southern Softball

Miles Lab beat Mercer Ambulance 12-8. Coachillers beat Bob's Bait Shop 9-5 and Clark's Hardfacing beat W. W. Confectionery 14-9 in Southern Classic softball at Worthen Park Tuesday.

Mercer held the lead only momentarily, scoring twice in the bottom of the second to go ahead 5-4. In the next frame, Miles scored five runs on four singles and three doubles. Rocky Randolph and Gene Kuehnel each hit three singles for the victors.

A six-run sixth inning lifted Clark's to the win. Robin Teeague scored twice in the bottom of the second to go ahead 5-4. In the next frame, Miles scored five runs on four singles and three doubles. Rocky Randolph and Gene Kuehnel each hit three singles for the victors.

Twins to Conduct Baseball Tryouts

The annual tryout camp of the Minnesota Twins baseball club in this area will be held only 31 1/2 miles from St. Charles, Mo., June 16, 17 and 18. Anyone between the ages of 16 and 21 is welcome. High school players graduating in 1971 are especially urged to attend. Players should report at 9:30 a.m. each day and bring their uniform and glove.

Mrs. Rose Ficken and Mrs. Ann Stepanek, 877-5867 or 931-5583, are handling contributions to purchase the trophies.

Boys' Baseball School To Begin Here Monday

A Granite City park district boys' baseball school will begin Monday and Tuesday in Wilson Park.

Any boy, aged six through eleven, who does not play in a tournament team.

Instruction will include basic fundamentals of hitting, throwing, fielding and baserunning. Boys should report wearing play clothes, not ball uniforms, and bring their ball gloves. No registration is required and no fees are charged.

Each youth must have Granite City park recreation insurance which costs \$1.75 for anyone under 19. It gives insurance protection for all park district activities until April 30, 1971.

Instruction sessions for six to eight-year-olds will begin at 9 a.m. on Mondays, Wednesdays and Fridays at Wilson Park diamond No. 7.

Nine-to-11-year-old boys will meet each Tuesday and Thursday at Wilson Park diamond No. 8 starting at 9 a.m. The program will continue for eight weeks.

Diving, Swimming 3-Week Instruction

The Paddlers swim club, 2121 Johnson road, will begin three-week diving and swimming courses Monday for beginning and intermediate ability swimmers. Both members and non-members five and older may enroll.

Classes will meet from 10:30 a.m. until noon Monday, Wednesday and Friday on Tuesday, Thursday and Saturday.

Fletcher Honored

Collinsville high's Vergil Fletcher was named basketball coach of the year Wednesday by the National High School Athletic Coaches Association. The association also honored a football, baseball and track coach. Fletcher has a 376-117 won-loss record.

Has Beens Not Has Beens Last Night

Has Beens shaded Pieper 6-5, Inn Between beat Keith's Lounge 10-4 and Friederich Heating beat Andria Liquors 10-2 in East Classic-softball at Worthen Park last night.

Sam Akeman's two-run double lifted the Hus Beens to their win in the bottom of the sixth.

Keith's Bob Crider took batting honors with three hits but Inn Between's balanced attack produced a 16-11 hitting edge.

Mark Frederich paced his team with a triple, two doubles and a single in four chances. Andria's made seven errors.

Huenefeld to Enroll

Steve Huenefeld, 18, member of the M state basketball championship team from Hannam, Mo., will enroll at St. Louis University.

Jimmie Dudley, basketball coach, has announced. He is 64 forward and had a key role in Hermann's 33-0 1969-70 record.

Throwing Errors Hurt Legion in 7-3 Defeat

The American Legion Post 113 baseball team, co-sponsored by First GC Savings & Loan, lost its season opener to League O'Fallon 7-3 here Wednesday.

Lacking practice as a team due to GCHS success in tournament play, the Legion committed five throwing errors, allowing four unearned runs to score. O'Fallon Pitcher Curt Genicke, a Belleville West high student, hurled a five-hitter. Ed Hagmayer, going four innings, took the loss; he was relieved by Ron Simpson. The two allowed nine hits.

O'Fallon got two runs in the first and one in the third, all unearned, three earned runs in the fourth and another earned tally in the fifth.

Jim Greenwald's single in the first inning drove in Tri-City's initial run.

In the final frame, the Legion began a too little, too late rally. Gary Willis singled, Jack Scarborough ran for him, Don Harris walked and Bill Parks knocked an RBI single. Rich Schardian doubled to drive in the final run.

On Friday, Jeff Boyles, GCHS record winning pitcher with a career total of 29 wins, will start for the Legion at Wilson Park at 6 p.m. against Southwest St. Louis Kiwanis.

The Kiwanis is a traveling team; on Saturday, Southwest will play at Louisville, Ky.

Next Tuesday, Tri-City will be at Duplo for a league encounter.

Belleville Wins, Losses
On Monday, Wood River and Duplo played to a 1-1 tie and Belleville shut out Macostach 3-0. Jack Penn pitched a three-hitter for Belleville as his team tallied two of its runs on the only two errors of the game.

Duplo beat O'Fallon 3-2 Tuesday on Mark Smith's bases-loaded single in the last of the seventh.

Edwardsville's Larry Johnson struck out 11 while allowing three hits to earn a 4-3 victory over Belleville Tuesday. Edwardsville tied it on Pat Peterson's homer and Steve Munzert's two-RBI double. Munzert scored the winning run on Belleville's only error.

Games begin at 6 p.m. except as noted. All home games are at Wilson Park and No. 1. Asterisks indicates league games.

15th Annual GCHS
Soph Track Meet
The fourth hour credit education class under Coach Bill Schmitt won the 15th annual GCHS sophomore intramural track and field meet Tuesday at the school stadium. Meet director was Walt Whitaker.

Schmitt's class earned 50 points for the win. The fifth hour class taught by Tom Wyrostek and the fifth hour class under Don Deterding tied for second place among the seven competing classes.

Team point credits were earned for placing first, second and third.

Winners for the fourth hour were: Dale Georgeff, 880 run (2:23.4); Rich Wilson, long jump (18 feet); Perry Dillard, high jump; and the half-mile relay team of Phil Carey, Steve Burdick, Mark Elmore and Rich Wilson (1:47.8).

Jack Scarborough broke an intramural meet record that had stood since 1968, running the 100-yard dash in 10.8 seconds. He also won the 50-yard dash (6.0).

Jim Robbers set a new big boy (over 185 pounds) 100-yard dash record of 12.1 seconds; Jim Greenwald set the old mark of 12.5 two years ago. Robbers also won the shot put (46-2½).

Other first placers were: Tom Hudson, 120-yard low hurdles (17:0); Aaron Graham, 220-yard dash (25.4); Charles Logan, 440-yard dash; Paul Jungels, mile run (5:25.6); Tony Becerra, Aaron Graham, Mike Dix and Jack Scarborough, 440 relay (51.2).

Rally Falls Short, Midtown Wins 10-9

Tony & Joe's rallied but lost 10-9 to Midtown, Hunter's Cove blanked American Legion 16-0 and Quad City "A" beat Jacobsmeyer 19-2 in Junior Pools-35 & Over league softball at Wilson Park Monday.

Trailing 10-3 after the fifth inning, Tony & Joe's garnered four runs on four hits and a walk in the sixth. Glenn Wolfe socked a home run, driving in Gue Lignoul, who had doubled. But Tony & Joe's could not overcome Midtown's lead.

Hunter's Cove amassed 17 hits to the Legion's five. The Legion threatened to score once in a three-hit inning. Cecil Miller paced Hunter batters with four singles, backed by three-hit performances from Earl Baker, Dave Murphy, Harold Burnett and Russ Terry.

Quad City opened with a nine-run first inning and went on with its hitting barrage to gain a 237 hit advantage. Leading batters were each with three hits, including connections for extra bases—Paul Hollis, Larry Jaros, Bill Portell and Wade Campbell.

Legislators Prepared for Fight Over Transit Funds

A demand for \$25 million in allocations to downstate transit systems—an amount equal to that sought for the Chicago Transit Authority in a legislative battle that ended in a deadlock with adjournment of the General Assembly May 30—is expected to touch off new political maneuvering in a special legislative session scheduled to convene in Springfield Monday.

The special session has been called by Gov. Ogilvie to resolve major legislative business left unfinished when legislators failed to agree over the amount of aid for the Chicago Transit Authority and adjourned the regular session. In addition to the transit bills, legislation on which action must be taken includes salary appropriation bills which must be approved by elected officials and department heads are to receive any salaries after July 1.

The move to aid the financially troubled CTA is expected to set off a fight by downstate legislators for mass transit systems outside of Chicago, which action must be taken in the Illinois sector of the system.

SA Bradford volunteered for Navy duty on April 8, enlisting for a six-year period. He is a 1969 graduate of Granite City high school and was employed at the Tri-Cities YMCA and with the local park district before entering the service.

Missouri Senate Opposes Airport On Illinois Side

A resolution opposing location of a second major metropolitan airport on the Illinois side of the river was adopted by the Missouri Senate at Jefferson City Tuesday. The measure was sent to the House with a request for concurrence.

The resolution, which was introduced by Senator Robert A. Young (D-St. Ann), provides for creation of an interim committee "to study all factors" in the location and construction of a second major airport in the St. Louis area.

Young expressed concern over a "loss of jobs" if the airport should be built in Illinois. Senator Theodore D. McNeal (D-St. Louis) opposed McNeal's resolution and asserted that it was designed to interfere with the agreement worked out between Illinois Gov. Ogilvie and St. Louis Mayor A. J. C. Cervantes for construction of an airport in the Illinois sector of the metropolitan area.

Site for a proposed Illinois major airport has not yet been selected, although surveys and studies have been underway by the state for more than a year.

Savings Bond Sales In County—\$408,469

Savings Bond purchases by a d i s o eountants totaled \$408,469 for April. It was reported yesterday by H. D. Karandjeff, local banker and county chairman for U. S. Savings Bond sales.

Karandjeff said the upsurge from the normal \$250,000 to \$350,000 monthly purchases resulted from extra efforts through payroll savings programs.

He noted the Madison county purchases topped considerably the \$254,000 bond purchases in St. Clair county. Statewide in April, bond purchases amounted to \$24,689,048.

MRS. GEORGIA BORGER
877-2765

Vivian, Janet, Vicki, Sherry and Lisa Dickinson, 910 Bend road, returned home Sunday from a weekend visit in Cahokia, where they were houseguests of Mr. and Mrs. Richard Mains and daughter, Cathy. They are the daughters of Mr. and Mrs. Vernon Dickinson.

Granite City PRESS-RECORD

Page 16 Thurs., June 11, 1970

On Sunday evening, the Dickinson family entertained in their home Mr. and Mrs. Clarence Mains of Cahokia and Mr. and Mrs. Al Quant of Caseyville.

HOME FROM FORT POLK

Specialist Jimmy Ray Wallace, son of Mr. and Mrs. Peter Billic, 611 Fillmore street,

has arrived home for a two-week leave from Fort Polk, La. On Sunday, he and his uncle, Staff Sgt. Kenneth D. Thompson, 2418 East 25th street, visited Mr. and Mrs. Charles D. Thompson, parents of Thompson and grandparents of Wallace.

At Local Hospital

The following underwent surgery at St. Elizabeth Hospital this week:

Lois E. Weeks, 128 Cynthia lane, Gilbert L. Walker, 2013 Park street; Donna Brandon, 5348 Lakeview drive; N. Leora Anderson, 4205 Buene avenue; Helen S. Vail, 2504 Hodges avenue; Neoma Hauslein, 4289 Revell lane.

Trace Car Ownership
Madison police were tracing today the ownership of an auto that was driven into the yard of a Madison residence and abandoned early this morning.

Officers reported the car was driven into the yard of the home of Robert Scaturro, 1529 Seventh street, about 4 a.m. and abandoned by the driver who left the scene on foot. The car was impounded by police.

children, Roger, Donna, Glenda and Tommy Gibson, 4921 Carl avenue, and Don Tidwell of Granite City spent the weekend camping at Piasa Creek above Alton. Donna caught an 11-pound carp.

Mr. and Mrs. Jerry Berger, 904 Bend road, entertained Sunday evening with a barbecue in honor of the birthday of their son, Don Crider, 2328 Orville avenue.

Guests were Mr. and Mrs. Crider and daughter Sharon, Mr. and Mrs. Andy Brumley and Mr. and Mrs. Ray Barker.

Cub Scout Pack 107 went to the Shriner's circus in Belleville Sunday.

Attending were Raymond W. Wines, Bryan Mathis, Monet Williams, Meredith Fassold, Daniel Young, Derek Mathis, Reggie Mathis, Mike Baugus, Robby Gunther, Rich Foote, Scott Foote, Gary Ramey, Phillip Ramey, Susie Ramey, Becky Gunther and Danny Gunther.

The boys were accompanied by Cubmaster Richard Foote, Mrs. Pat Foote and Mrs. Olive Gunther, den mothers, and Mrs. Dale Ramey and John Wines.

It was announced that the boys will go on a Lewis and Clark pilgrimage Saturday, leaving the Foote residence at 8 a.m.

CUB SCOUT LEADERS

PLAN FOR SUMMER

The Uniwah district of the Catholic Mount Council held its June cub scout roundtable Tuesday evening at Washington school, the theme being "The Old Swimm' Hole."

The meeting was opened with Bob Cathey, assistant district commissioner, who welcomed the group.

A "letter scramble" game was played, with Pack 28 of Parkview school finding the answers.

Ted Scrum, district commissioner, introduced Ron Luebben as new assistant district commissioner for the roundtable, replacing Cathey, who is leaving to become assistant scoutmaster of Troop 90.

Mrs. Pat Shable and Mrs. Violet Harrison, den mothers of Pack 17, held a "show-and-tell" in which they explained boats and boat races along with showing other handicraft made by cubs.

Floyd Jordan Jr., trail secretary for the Lewis and Clark pilgrimage June 15, gave instructions on registration procedure. Those wishing to participate are to contact him at 891-2597.

It was announced that Webster Day will be held at Camp Sumner on July 18, with registration to begin at 10:30 a.m. The fee for registration and lunch will be \$1.25.

Mrs. Daisy Cathey announced that next month's roundtable will be a 6:30 "family night" pot luck supper at Shelter Five at Wilson Park. Dessert and coffee will be provided and there will be baby sitters.

The meeting closed with Mrs. Pat Foote, a den mother of Pack 107, leading the group in the conservation pledge.

Mrs. Louis Warren and Mr. and Mrs. George Buchman of Pack Eight served refreshments.

PICNIC FOR PARISH
St. Mark's Catholic Church held its annual parish picnic Sunday at Lee Park.

Basket lunches were enjoyed by everyone and soda, refreshments and grab bags were given to the children.

Races were held for the school children, starting with a lollipop race for toddlers and pre-schoolers, with Billy Schodroski as judge and Noy Shamrock as announcer.

Partners were chosen for an egg throwing contest. After many were splashed with eggs, Dr. John Lee and Postmaster Charles Simmons were the last to stand.

Members of the Holy Name, led by the pitcher, Father Terry Shea, challenged the young men of the CYO to a softball game.

Ideal weather helped to make the day enjoyable.

Mr. and Mrs. Claude Bilbrey, 638 Lincoln avenue, returned home Monday after spending a week at their son's home in Greensburg, Ind.

LIST WITH COCHRANE

"IT'S SOLD"

Mrs. Diana Scherrills, 312 Jefferson street, was released from St. Elizabeth Hospital Monday after undergoing minor surgery June 5.

Charged with Forgery
Over Credit Card Use
Mervin Lee, 28, of 4011 Pontoon road was arrested at 1 p.m. Monday on charge of forgery, using a service station credit card owned by Richard Bartlett, 2546 Pontoon road.

Bartlett's auto had been stolen on May 13 from Waterman avenue and was found stripped two days later, but the credit card was missing. Lee told police someone had given it to him. He was released on notice to appear.

Auto Battery Stolen

John Large, 3701 Ruth drive, reported at 8:30 a.m. Wednesday to the Madison county sheriff's office that a battery valued at \$42 was stolen from his auto.

SOCIETY

MISS LINDA BESSERMAN. Her engagement to John Huckla is announced today.

Granite City PRESS-RECORD
Page 18 Thurs., June 11, 1970

CLUB BOARD DISCUSSES

ACTIVITIES IN 1970-71

The Granite City Junior Service club held an executive board meeting Monday evening in the home of Mrs. Linda Saltich, 2820 Wayne avenue, with plans made for various activities in the 1970-71 year.

Mrs. Charlene Pohlman, president, presided. Reports were given on charity cases. Mrs. Saltich was appointed to assist on the charity cases with Mrs. Carol Tritsch.

The president reviewed a recent cerebral palsy drive and Mrs. Saltich told of the success of a mother-and-daughter banquet. Mrs. Francisca Rawden discussed a "probie" meeting held at her home May 30.

Mrs. Pohlman announced that a club meeting and pot luck dinner will be held next Monday in the home of Mrs. Mary Noeth, 40 Terrace lane. The chairman, Mrs. Jean Ann Vrenick, announced that tentative plans have been made for a magic show Sept. 19 or 20. The club voted to sell Christmas cards, paper and decorations as a fund project for the new year.

The hostess served refreshments. Also present were Mrs. Marilyn Bodnam, Mrs. Geri Gavlick, Mrs. Audrey Jaros and Miss Flora Mae Lensing.

PINOCHLE CLUB

PLANS PARTY

The Dizzie Dozen pinochle club met Monday evening with Mrs. Agnes Roderick.

Those holding winning scores were Mrs. Mary Metz, Mrs. Dorothy Kowalk, Mrs. Goida Coleman and Mrs. Mary Mur-ric.

Others present were Mrs. Loretta Coleman, Mrs. R. H. E. Eads, John Farrell, Cecil Williams, A. J. Shannon, Charles Kohl, Malotki and Earl Glenn.

The next regular meeting of the Gardenaires will be July 16 with Mrs. Mary Kristian, 2803 Indiana avenue, at 8:30 a.m.

Fall Wedding Is Planned

Mr. and Mrs. Andy Besserman, 1915 Rhodes street, Madison, are announcing the engagement and coming marriage of their daughter, Miss Linda Besserman, to John Huckla, a son of Mrs. Robert Adamson, 901 Alton avenue, Madison, and Walter Huckla of Granite City. Miss Besserman graduated from Madison high school in 1968. She is a beautician and is self employed. Mr. Huckla has completed four years service in the Air Force and is employed in St. Louis. The wedding will take place Oct. 24 at St. Mary's Roman Catholic Church in Madison.

Gardenaires

Hold Guest Day

The annual guest day of the Gardenaires Club was held at the Wilson Park Recreation Center Wednesday morning. Mrs. A. A. Malotki jr., club president, welcomed the ladies of the Thorngate, Garden Study and Cloverview garden clubs, and other guests.

Mrs. Frank Fijan of Clayton, Mo., presented the program on "The Art of Making Dried Flower Pictures." Formerly of Granite City, Mrs. Fijan has made a hobby of drying roadside and garden blossoms to use in her craft, a variety of which she displayed.

The tables were decorated with pots of red begonias. Those present were: Mesdames Earl Richey, who received a prize, Melvin Weigand, Robert Miller, Medar Young, Lawrence Markham, Charles Delpo, Clifford Mang, August Theis, Arthur Roman, H. E. Lynch, Robert McCauley, George Knapp, John Lentz, John Jenkins, Fred Orr, Richard Branding, C. E. Eads, John Farrell, Cecil Williams, A. J. Shannon, Charles Kohl, Malotki and Earl Glenn.

The next regular meeting of the Gardenaires will be July 16 with Mrs. Mary Kristian, 2803 Indiana avenue, at 8:30 a.m.

SOCIETY

MRS. DENNIS R. MORRISON who was married Tuesday at St. Clement's Church in Des Peres, Mo.

Morrison-Martinez Vows

Miss Theresa Ann Martinez, a daughter of Mrs. Julius Martinez, 1693 Market street, Madison, became the bride of Dennis Reed Morrison, son of Mr. and Mrs. Keith Morrison, 1800 Bopp road, Des Peres, Mo., Tuesday evening at seven o'clock.

Fr. Naes officiated at the double-ring ceremony as Theodore Valencia, older brother of the bride, presented her in marriage. The wedding vows were heard at St. Clement's Church in Des Peres.

Mrs. Carl Hoffman, a sister of the bride, served as matron of honor, with Mrs. Theodore Valencia, the bride's sister-in-law, and Miss Patty Morrison, the groom's sister, as bridesmaids.

James Morrison, the groom's brother, was best man, with Dave Toubill and Terry Cowhey as groomsmen. Dave Morrison, brother of the groom, and William Valencia, a brother of the bride, seated the guests.

A reception followed the ceremony and was held in the home of the groom's parents. A wedding trip to the Ozarks was taken by the newlyweds and they will be at their home in the Georgetown Apartments, St. Louis, after June 14.

Mrs. Morrison, a 1965 graduate of Madison high school, is employed as a secretary at the Victor Corp., St. Louis.

The groom is a graduate of St. Louis University. He is an accountant for Arthur Anderson & Co., St. Louis.

Eagles Auxiliary Plans Fish Fry

A bi-monthly meeting of the Eagles Auxiliary 1126 was held Tuesday evening with the newly-elected president, Mrs. Vera Hornyak, in charge.

Reports were given by the secretary and treasurer, Mrs. Margaret Hall and Mrs. Leona Deloays, and Mrs. Florida Batson discussed a fish fry to be given June 20 by the escort team. The hours will be from 2 until 6 p.m.

There were also arrangements made by the group to serve the men of the Aerie at a Father's day dinner Wednesday, June 17, at 6:30 p.m. Mrs. Norma Hemken is to be chairman of the event.

Prizes were won by Mrs. Nan Shone and Mrs. Eva Bery, and announcement was made of the next meeting to be held June 23.

Drug Abuse Workshop Next Week at SIU-SW

A five-day pre-summer school workshop on drug use and abuse will be conducted next week by the Education Division of the Southern Illinois University-Southwestern campus. The program will start Monday and continue through Friday, with daily sessions from 9 a.m. to 12:30 p.m. and from 1:30 to 5 p.m., and special evening sessions from 6 to 9 p.m. on Tuesday and Thursday.

Joseph S. Hupert, coordinator of the Drug Use and Abuse Project at SIU-SW, who is arranging the workshop, said several outstanding lecturers will address the sessions, including representatives from area hospitals, police departments, judicial branches and drug rescue centers.

Purpose of the program is to provide background information for counselors, curriculum development specialists, school administrators and others who are interested in the problems of drug use and abuse as they relate to students at the secondary school level and above.

**FAREWELL DINNER
FOR AMSBURY FAMILY**

Rev. and Mrs. John Ambury and children, Cynthia, Becky, Danny and Jimmy, were honored Sunday evening by the members of the Dewey Avenue United Methodist Church with a farewell basket dinner and program.

Following prayer by Rev. Ambury, dinner was served. A short program was given by Mrs. Shirley Lane and gifts were presented to the Ambury family.

Ending the evening were photographic slides shown by Ray Potillo and Rev. Ambury of events which took place during the six years the Amburys were at the Dewey Avenue church. There were 137 present.

Rev. and Mrs. Ambury and their family moved Wednesday to No. 3 Bellevue, Rural Route Three, Collinsville. Rev. Ambury will be teaching at Madison high school in the fall along with doing evangelistic work. Their new phone number is 345-5327.

ENTERTAINS CLUB**

The Second Tuesday Card club met in the home of Mrs. Helen Schwendeman, 3005 Forest Avenue, Tuesday evening for its June meeting. Excelling in games were Mrs. Donna Kary and Mrs. Joan Yetter. Low score winners were Mrs. Sharon Shafer and Mrs. Cora Coppedge.

The hostess served a dessert luncheon to those named and Mrs. Marlene Johnson and Mrs. Joyce Bugg. The next scheduled meeting will be July 14 with Mrs. Shaffer, 516 Bend Road.

NEW TROOP 776 MEETS

Newly organized Junior Girl Scout Troop 776 of St. Margaret Mary school met Tuesday with the leaders, Mrs. Maxine Hoelter, 2116 Cardinal court, and Mrs. Pat Muehl in the Hoelter home.

Due to being newly formed, the troop will meet periodically in the leader's home during the summer months to learn about the scouting program.

The scouts worked on outdoor skills, including making a yagabond stove that will be used at cookouts. They also made s'mores for use at the day camp session opening in mid-June at River Bluffs Council campsite. Participants were Jane Hoelter, Jolene Muehl, Diane James, Teresa Jones, Kathy Link, Beth Ripper, Kathy Bailey, Anna Robertson, Cindy Hoelter, Janet Hoelter and Janet Niemeyer.

☆ SOCIETY ☆ Spears-Hammack Engagement

Just announced is the engagement and approaching marriage of Miss Patricia Lee Hammack, a daughter of Mr. and Mrs. Ferd L. Hammack, 1940 St. Clair avenue, and Roger William Spears, a son of Arthur Spears, 2408a Nameoki road, formerly of Marquette, Mich.

The bride-to-be, a 1968 graduate of Granite City high school, is employed by a St. Louis insurance firm. Her fiancé, who is also employed in St. Louis, was recently discharged from the Marine Corps after a tour of duty in Vietnam.

Plans are being made for a late summer wedding.

HONOR SON ON BIRTHDAY

Mr. and Mrs. Robert Fichte, 1540 Dodge avenue, entertained with a birthday party Tuesday evening at their home honoring their ten-year-old son, Danny.

Refreshments were served to the grandparents, Mr. and Mrs. Gus Scaturro and Mr. and Mrs. Richard McCulla, Bob Fichte, a brother of the honoree, and aunts, uncles and friends.

MRS. DAMAL ELECTED TO DISTRICT OFFICE

The local Amvets Auxiliary was host to Division Five this week at the Post Hall with about 40 attending.

Mrs. Mary Rich of Mt. Vernon presided over the meeting and Mrs. Ruth Haak of Lincoln, Ill., executive secretary of the Department of Illinois

Auxiliary, commended the local Auxiliary on its various projects during the past year. Oral reports were given by Mrs. Pauline Wickham all officers, and Mrs. Charlotte Damal of the Granite City Auxiliary was elected the new Division Five secretary. The next Division meeting will be held at the Polish Hall in Madison Aug. 2.

to be held June 18-21. All were urged to attend the state meeting. Mrs. Pauline Wickham read an article entitled "What Is An American," and was awarded the "white elephant." The next Division meeting will be held at the Polish Hall in Madison Aug. 2.

BETROTHED. Miss Patricia Lee Hammack, whose engagement to Roger W. Spears is announced today.

MISS JO ANN KRAWIECKI. A bride-to-be. Her engagement to Dennis L. Labaray is announced.

October Wedding is Planned

Miss Cecelia Kowalczyk, 1713 campus and is employed by the Edwardsville road, Madison, Ill. The wedding will take place Oct. 10 at St. Mary's Catholic Church in Madison.

The bride-elect is a daughter of Mr. and Mrs. Edward L. Krawiecki, both of whom are deceased. She is a 1970 graduate of Madison high school and is presently employed at Heiken's in Madison. Her fiancé attended SIU-SW

BRIDE-TO-BE. Miss Leesa Freedman, whose engagement to Michael Gornish, is announced by her parents, Dr. and Mrs. Melvin J. Freedman.

Miss Freedman Is Engaged

Dr. and Mrs. Melvin J. Freedman, 2543 Cleveland blvd., are announcing the engagement of their daughter, Miss Leesa Freedman, to Michael Gornish, a son of Mr. and Mrs. Sidney B. Gornish of Philadelphia, Pa.

Miss Freedman graduated from the Granite City high school and is presently a sophomore at Radcliffe College of Harvard University. She is a candidate for honors in applied mathematics and computer science, is active in Winthrop House Committee and Harvard-Radcliffe Hill Society and is on the National Consultative Board of Hill.

Her fiancé is a junior at Harvard University and is a candidate for honors in biology. He is active in Lowell House musical society and in Harvard-Radcliffe Hill.

The wedding date was not announced.

PROGRESSIVE CLASS QUARTERLY DINNER MEET The Progressive Class of Second Baptist Church held a quarterly dinner meeting Monday in the home of Mrs. Allene Reagan, 2517 Washington avenue.

Mrs. Louise Daniels was in charge, and Mrs. Naomi Burnett offered the opening prayer. Mrs. Lena Watson led the devotion and the members responded to roll call with Bible verses.

Others present were Mesdames Maude Beesie, Lena Bonniwell, Eva Biggs, Eva Farrell, Florence Paul, Naomi Rongey, Ally Richardson, Viola Springfield, Trillie Naylor, Louise Wallace, Rachel Westphal, May Williams, Roberta Richardson and the following guests: Rev. and Mrs. Eugene Patton, Mrs. Gladys Hancock, Mrs. Rene Scheve and Mrs. Josephine Hill.

The next meeting will be with Mrs. Watson on Illinois avenue.

Cloverview Garden Club Aids Lincoln Memorial

The Cloverview Garden Club was entertained Tuesday afternoon in the home of Mrs. Fred Orr, 2430 Lynch avenue.

A dessert course was served at one o'clock to eight, and the meeting opened with the club Collect read by Mrs. Richard Branding.

Mrs. Robert McCauley was in charge and the hostess, ways and means chairman, reported on the recent rummage sale in the home of Mrs. George Knapp, and the annual contribution was sent to the Lincoln Memorial Gardens in Springfield supported by the Garden Clubs of Illinois.

A donation was sent to Mrs. S. P. Shea, state chairman of the Blue Star Memorial highway markers, in support of the project at the district and state levels, and the group voted to send a student to Conservation School at SIU, Carbondale, co-sponsored by the Lakeview Club of Collinsville.

An article "Herbicides Can Damage Trees," by Mrs. M. W. Staples, was read by Mrs. Knapp. An article was read by Mrs. Orr on dogwood trees. The comprehensive study for the year is "Flowering Trees." Dogwood is the state flower of North Carolina and Virginia, and the official flower of the Canadian province of British Columbia, Atlanta, Ga., is called the "Dogwood City."

Summer Hours Set for Capital Historic Sites

John A. C. Schulte, historian for the Illinois Department of Conservation, today announced summer visiting hours for Lincoln's Home, Lincoln's tomb and the Old State Capitol.

Beginning Sunday, June 14, and running through Sept. 7 (Labor Day), the visiting hours will be from 9 a.m. until 5 p.m. In 1969 there were 349,023 visitors at Lincoln's Home from June through the first week of September. Lincoln's tomb had 363,000 visitors for the same period. The Old State Capitol was opened in November 1969.

Annual Awards to be Made at SIMAPC Meet

An address by Jerry Lumas of Harland Bartholomew & Associates of St. Louis on the topic of "Urban Design," and presentation of the 1969 annual awards for excellence of service or development, will highlight the quarterly meeting of the Southwestern Illinois Metropolitan Area Planning Commission June 18 in Fischer's restaurant at Belleville.

The awards will be presented by Edward Leamon, chairman of the Awards committee for the 1969 year.

The awards have been made annually for the past several years to recognize individuals and organizations throughout the Madison-Monroe-St. Clair county area who have contributed to the social, physical and economic development of the region.

Auto Insurance Rates Raised by Allstate

A revision upward in auto insurance rates, effective immediately, was announced this week by Allstate Insurance Co. The increased rate was made necessary by the increasing number and rising costs of accidents, the company said.

The increase for private passenger cars will amount to an average of 10.5%, it was announced. Richard A. Hogan, assistant vice-president and Allstate regional manager for Illinois, said the rating adjustments will be made on existing policies as they are renewed during the next 12 months and that they will vary in individual cases due to geographical location, age and driving record of each policyholder, and other factors.

Hogan said the largest increase would be in downstate areas, but that the company's rates still are more than 20% under rates recommended by the Insurance Rating Board.

Ogilvie Oks Funds For Alton State Hospital

Two buildings at Alton State Hospital, Linden cottage and the male receiving center, are to be air-conditioned with the release of \$447,705 by Gov. Ogilvie.

The governor's action was announced by Sen. Merrill Ottwin (R-Edwardsville), who said the money was released to the Illinois Department of Mental Health from the general revenue fund. He said the buildings provide resident space for 120 patients.

Barber Shoppers Give Donation

The officers of the Mississippi Valley Chorus of SPEBSQSA Inc. (Barber Shop Quartet) completed plans to send their first donation to the Institute of Logopedics in Wichita, Kan., at a recent meeting.

It has been the goal of the members and officers to add its support to the Societies United Service Project and they will continue their donations on a quarterly basis.

The Institute is known as "Speech Town USA," and it is through this program that several children have received the assistance needed to spend time at speech town to learn to speak and communicate his needs.

Anyone desiring information about the chorus or its availability may contact Don Hadfield (344-4724) in Collinsville.

Luther Thompson, 66, Retired Salesman, Dies

Luther N. Thompson, 66, of 201 Grand avenue, a 32-year resident of Granite City, died at 3 a.m. Tuesday at St. Elizabeth Hospital following a four-year illness which hospitalized him for three weeks.

His birthplace was in Honaker, Va. Mr. Thompson was employed at the former Moody Chevrolet agency and had been a car salesman for 28 years. He was a member of Park Baptist Church in Brookfield, Mo.

Surviving are his wife, Bernice; one son, Robert R. Thompson of Tucson, Ariz.; a brother, E. W. Thompson of Sedalia, Mo.; and a sister, Mrs. Ethel Lee of Milan, Mo.

Funeral services were conducted today in Brookfield, Mo. Arrangements are given in today's obituary column.

Former Resident is Parent of Son

Announcements have been received of the birth of a son May 23 at Jewish Hospital, St. Louis, to Mr. and Mrs. Howard Rasch of Collinsville. The new arrival weighed eight pounds, 15 ounces, and has been named Jeffrey Darren.

The mother will be remembered as Anita Patterson, a daughter of Mr. and Mrs. William R. Patterson of Collinsville, formerly of Madison. The paternal grandparents are Mr. and Mrs. Hamilton Rasch of East St. Louis.

Manning to Head Amvets 25th District

Rex Manning, a member of Quad-City Amvets Post 51 and former commander of the local veterans' group, was elected commander of Amvets 25th District, which encompasses posts in Granite City, Madison and Belleville. The district officer was selected this week at the Amvets Fifth Division meeting, held at Post 51, 5100 Lakeview drive.

State and national officials attending the divisional conference included Arnold Haak, Lincoln, post Illinois commander; Earl Williams, Peoria, Division Three commander; Don Russell, Springfield, Illinois senior vice-commander and a candidate for state commander this year; Ray Grant, Rantoul, Amvets Post 34 commander; and Francis Stinner, Mt. Vernon, Amvets national services officer.

In a special ceremony, Leo Clements of Post 51, newly-elected Fifth Division commander, accepted a "Certificate of Achievement" for exceptional Americanism and patriotism displayed by the local post in sponsoring the Amvets national tribute to the city of Venice.

The Venice tribute, which honored the community in February, marked passage of an ordinance by the city council that decrees lowering of all city flags to half mast when the body of a local serviceman killed in the line of duty is returned to the hometown community for burial.

The patriotic gesture also was cited by Russell, who said the policy recently was adopted by the Springfield Amvets post. It was announced at the conference that Peoria Amvets Post 64 recently gained the distinction of becoming the largest post in the nation. The achievement previously was held by Mt. Vernon Post 4 with a membership of more than 700.

The next Fifth Division meeting will be Aug. 2, with Madison Amvets Post 204 serving as host. The event will take place at the Polish Hall in Madison. A large delegation of Amvets from the local four-county area is expected to attend the 1970 state convention, set for June 15-21, at Mt. Vernon.

Nameoki Electors to Act on Sewer Plan

A resolution calling a special meeting of town electors June 22 to act on a proposal for participation in an area-wide sanitary sewer project was approved by the Nameoki town board Monday night.

At the same time, however, board members held up action on another resolution calling for a special meeting of electors on the same date for the township highway department to consider a proposal for changing the highway department's fiscal period.

Town Auditors Robert Beebe and Douglas Teator questioned the effect adoption of the highway department resolution might have up the highway appropriations and tax levy which in the past have been made for a Sept. 1 to Aug. 31 fiscal year.

Charles Hanks, township highway commissioner, set out in the resolution calling for the special meeting that he proposed changing the fiscal year from the Sept. 1 to Aug. 31 period to coincide with the fiscal year of the town fund, which is March 16 through March 15. His action would correct the friction protests by town board members that different fiscal periods for the two township funds has contributed to confusion.

William Schooley, township

auditor, pointed out that the resolution pertained in no way to the budget or tax levy of the highway department, but merely authorized the special meeting of electors to consider the proposed change in the dates of the fiscal year. Beebe and Teator, however, maintained that details should first be worked out as to the changes that would be necessary in the budget and levy. The change in the fiscal year would either add six months to the 1969-70 appropriation, or cut six months off the 1970-71 budget and levy.

In recent months the town board of auditors, which has been at odds with Hanks over many issues, has criticized the highway commissioner for operating in a fiscal year which varies six months from the town fund fiscal year. The township highway fund is operated separately from the town fund under control of the supervisor and highway commissioner.

Schooley told the board that a resolution calling the special election meeting for the highway department was not necessary. He said Hanks had the authority to publish a meeting notice himself, in behalf of the highway department. Schooley said he would meet with Nick Vasiloff, attorney for Hanks, concerning details of the budget and tax levy, and resolve the matter of a meeting call.

Meetings to Coincide
Hanks had called the special highway department meeting

for 7:30 p.m. June 22, half an hour after the special town meeting is called to discuss the sewer proposal. The regular town board meeting also falls on June 22. It will be held following the special town meeting.

The special meeting authorized by the board is similar to those also planned by Granite City, Venice and Chouteau townships. Each township is being asked to share in the cost of an engineering study of a proposed sanitary sewer program for the four-township area. The program would be sponsored by the county.

The auditors authorized the purchase of two five-gallon drums of a chemical mix from Thompson-Hayward Co. for use in the township's mosquito abatement program, after Beebe explained the purchase appeared to be the most economical effective solution. He said the mix costs \$5.18 a gallon and is mixed at a ratio of about 50 to 1 parts for a per-gallon spray cost of about ten cents.

Supervisor Harry Briggs said he would look into complaints made during the Monday meeting that private businesses are being operated from residences.

In response to questions about the township's drive to reduce the number of stray dogs, Town Clerk Lou Whitsett reported that 175 pets were inoculated at the June 4 clinic and that pens were constructed recently for use in transporting dogs to the county dog pound.

Employment Survey Planned by Bureau

The Bureau of the Census will conduct a survey of employment and unemployment in this area during the week of June 14. Theodore F. Olson, director of the bureau's regional office in Chicago, announced today.

The households to be interviewed here are part of a scientifically designed sample that is representative of the entire U.S. population. The employment and unemployment statistics are collected monthly by the Bureau for the U.S. Department of Labor to provide a continuing measure of the economic health of the nation as a whole and of its major regions. Questions on employment similar to those in the sample survey were asked of the entire population in the 1970 decennial census, now being completed.

Best official point out, however, that the monthly survey is essential as the source of current employment data. Facts supplied by individuals participating in the survey are kept confidential and the results used only to compile statistical results. The law safeguarding the privacy of the individual applies to all census taking operations.

Lawyers Endorse Four For Supreme Court

Four candidates for Supreme Court judge of the Fifth Judicial circuit have been recommended in a poll among lawyers of the district, which includes Madison county, on the qualifications of the candidates.

Democrats Joseph H. Goldenherst and Charles E. Jones, and Republicans Harold R. Clark and Preston K. Johnson Jr., were all recommended for the post. Goldenherst, of East St. Louis, now is a judge of the Fifth District Appellate Court.

A total of 327 attorneys participated in the poll in the Fifth district which is made up of 37 counties in the southern part of the state. Of those voting, 134 were Democrats, 137 were Republicans and 56 were unaffiliated.

Vacation Bible School Will Begin on Monday

Vacation Bible school at the First Christian Church, 2004 Maryville road, will use as the theme this year, "Good Cares Today." The school will begin on Monday night, June 15, and meet each evening from 7 p.m. to 9:15 p.m. through June 19.

Carl Wortham, director, has developed a program for children in the age group of 3 to 16. Closing exercises for the school will be held Sunday night, June 21, at 6:30 p.m. Anyone desiring further information may call the church office at 876-5611.

Church of God Plans Vacation Bible School

"Discovering Christ Where You Are" is the theme of the daily vacation Bible school to be conducted by the Church of God located on the corner of Orville and Vine streets.

Mrs. Garland E. Mills is the director of the school, which will begin Monday, June 15, and run through Friday, June 19. Sessions will be from 9 a.m. to 11:30 a.m. each day. There will be classes for age groups from three years through junior high group. Any children are welcome to enroll.

Claims Money Stolen

Berta Leggin, 10, of 2807 Harding blvd., reported at 5:30 p.m. Monday that while she was delivering papers in the 2800 block of Harding blvd., one of two girls, ages 12 and 13, stole some newspaper money from a can on the porch of the home of a customer in the 2800 block of Harding. The two girls denied taking the money.

Morris Calls for National Policy to Save Colleges

A public national policy is needed if universities are to be prevented from becoming instruments of tyranny, Southern Illinois University President Delyte W. Morris has announced at the Carbondale campus.

Morris noted that during one disturbance on campus in recent months, many of those arrested were non-students and that some came from as far away as New York City and Berkeley, Calif.

Noting that student violence at Carbondale had forced the university to close, Morris said, "Those of our faculty and staff who wish the university to open and remain open must be firm in their resolve and in their action. Those of our students who wish to study and learn and improve their potential to compete in an increasingly competitive world must insist on their right to do so."

The SIU president read a statement from Acting Chancellor Willis E. Malone spelling out procedures for those students arrested during incidents.

Coin Club Plans Show for July 5

The Land of Lincoln Coin Club met Monday evening at the Lincoln Place Community Center.

President Clarence Baumeier was in charge and plans were formulated for the annual coins, guns, antiques and stamp show Sunday, July 5, at the skating rink in Wilson Park. The public is invited to attend the show. There will be no admission charge and all are welcome.

An auction was held after the meeting and refreshments were served to 21, including three guests.

Boys physical fitness... an eight-week physical fitness program for boys in the eighth through 12th grades will get under way Monday at Granite City high school boys' gymnasium, with registration set for 1 p.m. Monday.

Fitness classes will be conducted Monday through Friday from 1 to 2 p.m. and from 3 to 4 p.m. Instructors for the program will be Stan Wojcik, line coach at Granite City high school.

Lighting is Topic At Rotary Meeting

Miss Dorothy Davis, an engineer and commercial sales representative for Illinois Power Co., was the guest speaker Tuesday at the Granite City Rotary Club luncheon meeting in the YMCA.

Her topic was on lighting, and with an instrument, she demonstrated the difference in color of fluorescent bulbs when used with wood paneling, and painted surfaces and the effect of the light on color and texture.

Miss Davis reviewed light sources and their uses in homes, commercial buildings and businesses. When discussing the various types of bulbs, she explained specific uses and amounts of light, depending on where the bulbs are used. In conclusion, she presented mercury lights and several new inventions.

An announcement was made on the annual installation banquet to take place Wednesday, June 24 at Sunset Hills Country Club.

Golf Lessons to Start Monday at Wilson Park

Golf instruction will be offered without cost to Granite City park district residents in a series of lessons starting next week.

The first two weeks of classes, consisting of basic instruction, will be conducted in Wilson Park, in the general area of Fehling road and State street. Thereafter, classes will be transferred to Arlington Golf course.

All classes will be held from 1 p.m. to 3 p.m., with junior and senior high age students and adults eligible to participate. Boys and men may attend lessons on Monday and Wednesday and women and girls on Tuesday and Thursday.

Permits Available
Harold Brown, park superintendent, also announced today that 15 permits may be issued daily by the park district for the Arlington Golf course.

The permits, available to district residents only, may be obtained at the Wilson Park office. Those securing a permit must show a park identification card.

Special rates for this season to holders of permits are nine holes, Monday-Friday, \$2.50; and Saturday, Sunday and holidays, \$3.50. Eighteen hole rates for the same playing period are \$5.25 and \$4.

24 Quad-Cityans To Be Drafted

Twenty-four Quad-Cityans are scheduled to be drafted this month with the lottery number to go to 170, it was reported this week at the county selective service office in Edwardsville.

The youths are to be drafted June 19; and on the same date, 23 other Quad-Cityans are to report for pre-induction physical examinations.

July quotas have not yet been received on the county level. So far this year, 42 Quad-Cityans have been drafted, compared to 76 in the same five-month period last year.

Graduation Tonight For 797 Seniors

Commencement exercises for 797 seniors at Granite City high school will take place at 8 p.m. tonight in the Memorial Gymnasium.

Richard Cardwell, valedictorian and class president, will speak on "A New Beginning" in and Connie Koeber, salutatorian, chose as her topic, "A Time to Remember."

Lawrence McCauley, principal, will present the class to B. J. Davis, superintendent of schools, who in turn will present the seniors to Al L. Metcalfe, president of the board of education, who is to award the diplomas.

Marie E. Taylor will graduate. Her name was omitted from the list published in Monday's issue.

Smith Urges Law To 'Prevent' Air Hijackings

U. S. Sen. Ralph T. Smith (R-Ill.) will seek passage of legislation that would create a federal law enforcement agency whose sole purpose would be to protect persons and property aboard aircraft.

The senator said his bill would create the Air Travel Protection Agency within the Federal Aviation Administration.

The new agency, he said, would have broad pre-flight and in-flight authority to protect against the seizure of an aircraft or violent and disruptive acts on board.

"What I can't understand," Senator Smith said, "is why we have created a far-flung bureaucracy under the Federal Aviation Administration to inspect plants and vegetables for fruit flies and diseases but we have done absolutely nothing to stop criminals with weapons or substances whose very presence on an aircraft means immediate and mortal danger to its passengers and crew."

Should Solve Problem
Referring to the air hijacking last week in which a gunman terrorized the crew and passengers of a TWA jet and demanded a \$100 million ransom, Sen. Smith said that "surely our technology and creativity ought to enable us to keep a pirate with a knife, a gun and a gallon of gasoline from boarding an aircraft."

He said existing laws forbid the carrying of concealed weapons aboard aircraft, interference with flight crews or attendants and prescribes either the death penalty or 20 years imprisonment upon conviction for air piracy.

But, he noted, there is no statutory mandate to any government agency to prevent these violations. The FBI is given authority to investigate the violations, but no one is given the duty of preventing them, he said.

County Board Votes Funds for Sheriff's Office

Low bids totaling \$146,720 for construction of a two-story office building for the Madison county sheriff's department were submitted at a meeting of the county board of supervisors Monday.

To help cover the cost, the board decided to appropriate \$80,000 to \$100,000 following a dispute on the rules. The current budget contains \$50,000 for the purpose, being appropriated last year.

The board first favored the appropriation by a vote of 26-18, but when Robert Ford of Wood River township tried to block the project, the board voted 32-10 to suspend the rules and then approved the additional funds by a 29-13 count.

Ford attempted to have the matter referred to the finance committee.

Among members voting against the building were Harry Briggs of Nanticoke township, Nelson Hagauer, Carl Buehler, Dan Churovich and William Webb of Granite City and Claude Echols of Venice township.

Briggs said he was against the plan as the building is to be placed adjacent to the old county jail and he is against piecemeal construction of new facilities.

Some supervisors feel that a new jail building which would include office facilities should be constructed.

The low bids were submitted by Ralph Korte Construction Co., general contract, \$98,720; George Gent Co., plumbing, heating and air conditioning, \$38,100; and Dr. Electric Co., electrical work, \$12,900. The three firms are located in Edwardsville.

Grigsby Retires from College in Missouri

Dr. Paul Allen Grigsby, newly retired from the Central Methodist College faculty, is featured on the cover of the June edition of the monthly magazine and alumni report published at the Fayette, Mo., school.

An article relates that Dr. Grigsby, superintendent of the Granite City community unit school district from its formation in 1950 until 1958, has been at Central Methodist for the past 12 years. He was an associate professor of education and was the director of student teaching at the college.

He received a bachelor degree in 1922 at Central Methodist. He next obtained a master degree from the University of Missouri, Columbia, and completed two years of post-master's graduate work in school administration at Washington University, St. Louis. Central Methodist conferred an honorarium LL.D. degree in 1961.

Principal of Huntsville, Mo., high school, Webb City, Mo., high school, and then Smith-Cotton high school in Sedalia, Mo., Grigsby served as principal and later superintendent of Granite City community high school from 1953 to 1959, subsequently accepting the additional responsibility of grade school and junior high school administration.

Recipient of many local honors, he was presented the Central Methodist College distinguished alumni plaque in March at the 24th annual founders' day and alumni award convocation.

Miss Legate Accepted By Computer Institute

Maureen LeGate, 3100 Mockingbird lane, has been accepted for training at the Electronic Computer Programming Institute of St. Louis. It was announced by L. Norman Denning, director. She is a member of the class of 1970 at Granite City high school and will graduate tonight.

The course of study, which involves extensive use of the school's IBM/360 computer system, trains students for employment in the field of computer programming.

Federal Grant Ok'd For Dental Program

A \$24,968 training grant has been awarded to the Southern Illinois University Vocational-Technical Institute by the U. S. Department of Health, Education and Welfare.

The money is a 1970 fiscal year continuation of an Allied Health Professions Basic Improvement Grant for improving and supporting programs at VTI which prepare students as dental hygienists and dental laboratory technicians, according to VTI Director M. Keith Humble.

"We are extremely pleased that the Department of Health, Education and Welfare continues to recognize the quality and

excellence of VTI's dental programs," Humble said.

There are 68 young women enrolled in the two-year associate in arts program in dental hygiene at the Vocational-Technical Institute and 44 men and women in two-year associate in technology program in dental laboratory technology.

The current HEW training grant is for assistance in the period from April 1970, through April 1971, Humble said.

Southern Illinois University annually hosts a high school science fair on the Carbondale Campus. A four-year scholarship is awarded to the best senior project.

Special Interest Classes Planned

Coolidge junior high school will conduct special interest classes on 24 subjects as a summer program for all junior high school students and sixth graders who will enter the seventh grade this fall.

Two classes will be held daily for seven weeks, two hours each, from 8 a.m. to noon. Enrollment may be made at the school during school hours any day or on the opening day, tomorrow, June 12.

No credits will be given for the courses but students are encouraged to enroll in the classes designed to encourage the student to discipline himself and "realize that learning can be fun."

Subjects offered are model building, creative woodworking, plastics, home mechanics, leathercraft, homemaking.

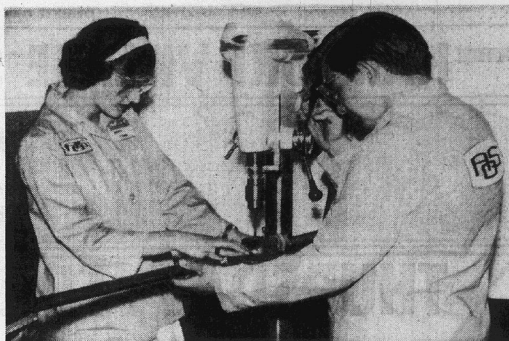

Antiquing, conservation, oceanography, modern space science, creative dramatics, band, art enrichment, Russian, Spanish, German. Recreational activities for boys and girls, developmental physical education for boys and girls, vocal music, creative approach to independent reading, computer operation, journalism, ecology and geography in an urban area.

500 Reservations For Linkletter Dinner

More than 500 persons already have reservations to hear entertainer Art Linkletter speak on drugs at the June 19 McKendree Appreciation Dinner.

Donald Metzger of Godfrey, chairman of this second annual event, said ticket sales are continuing to increase as the program grows near. The \$10-a-plate benefit will be held at Augustine's restaurant in Belleville, beginning at 6:15 p.m.

Persons wanting reservations may call McKendree College at Lebanon. Proceeds from the dinners will go to the Diane Linkletter Foundation and to McKendree College.

JUNIOR ACHIEVERS from Jr. Krafts exhibit production techniques and products, metal stils, at the annual Future Unlimited banquet. They are Betty Sands, daughter of Mr. and Mrs. John Sands, 4477 Highway 162, a junior at GCHS, and Voyte Rushing, son of Mr. and Mrs. James Rushing, 2065 Thirteenth street, a GCHS sophomore. The firm was sponsored during the past season by A. O. Smith Corp.

Prof. Kadis Named To Dental School Post

Barney Kadis has been appointed chairman of the department of biochemistry in the Southern Illinois University-Western School of Dental Medicine. The appointment was announced by Dr. Frank J. Sobkowski, dean of the school.

Professor Kadis has been associated with the dental school since last fall when developmental planning began.

Before arriving at SIU-SW, Kadis spent a year as a postdoctoral fellow in the department of anatomy of the Standard University School of Medicine. He earned his doctorate at Iowa State University and has since been on the faculties of the University of Nebraska College of Medicine, State University of New York at Albany, and the University of Dubuque, Iowa.

On Dean's Honor Roll

The name of Michael Greco, a son of Mr. and Mrs. Dominic Greco, 1813 Pontoon road, has appeared on the Dean's Honor Roll for the first semester at the University of Missouri in Rolla where he has completed his freshman year, majoring in chemical engineering.

Aboard USS Shangri La

Navy Petty Officer First Class Norman C. Cardwell, son of Mr. and Mrs. Anthony B. Cardwell of 1323 Rhodes street, Granite City, is now serving with Attack Squadron 172 aboard the aircraft carrier Shangri La in Southeast Asia.

The Morris Library on the campus of Southern Illinois University, Carbondale, contains 1,102,000 volumes including original manuscripts of James Joyce, D. H. Lawrence and Walt Whitman.

Top Ranking Faculty To Teach Undergrads

More full time faculty involvement in the education of undergraduates is a top priority item on the agenda of Southern Illinois University's new acting chancellor at Carbondale. Willis Malone, who has taken over for the departing Robert W. MacVicar, said Monday that he has made faculty-student relations his chief concern.

"Bringing our full time faculty members into closer touch with students is all-important for the coming year," Malone said. "The deans are conscious of this and support the move. We have begun the process of re-shaping undergraduate education."

Malone said he means more top level faculty members will be teaching courses below the graduate level, including SIU's general studies program that affects all first and second-year students.

Both Malone and MacVicar have cited the "distance" between higher ranking faculty and undergraduate classes as a factor in student alienation at U. S. campuses.

Also high on Malone's priority list, he said, are plans for broadening faculty representation in administrative affairs of SIU, and tightening up requirements for teaching assistants. Teaching assistants are graduate students who receive stipends to teach undergraduate courses, usually in the basic general studies curriculum.

Malone, a long time member of the SIU faculty, was an assistant to MacVicar for academic and personnel matters before being named acting chancellor June 3. MacVicar will become president of Oregon State University this summer.

Coffee House to Hold Open House Sunday

The Polychromatic Umbrella, a new coffee house for Quad-City area teenagers, will hold an open house from 1:30 to 5 p.m. Sunday.

The coffee house, at 310 Madison avenue, Madison, has drawn more than 350 youths since opening on May 30. It is open from 7 to 10 p.m. Fridays and Saturdays.

The center, organized by 25 youths from Granite City, Madison and Venice, is operated on a non-profit basis. Members of the board of directors are Harlan Campbell, chairman; Chuck Colett, vice-chairman; Nancy Hogan, secretary; Rich Stille, treasurer; and Mike Uram, Tony Young, Karen Sasyk and Dennis Brewer.

DeMolay Chapter To Attend Meet, Cookout Sunday

DeMolays from the James Stuart chapter will attend a Southern Illinois DeMolay Association meeting Sunday at Whitehall and Roodhouse. The chapter will enter Miss Peggy Carson in the SIDA Sweetheart contest to be held in the afternoon.

Following devotional services, and a business meeting at North Greene high school in Whitehall, activities will be transferred to the Roodhouse community park for a barbecue cookout, softball, swimming, horseshoes and fishing.

DeMolays will leave at 9 a.m. from the Belleme Reese drug store.

Stephen Hileman, master counselor, also announced that the chapter will confer the initiation degree at a special meeting on June 30. He asked members to return petitions for the class by the regular meeting Tuesday evening. Hileman also reported that Collinsville will host a district meeting on June 17.

Shrine circus parades in Granite City and Belleville saw local DeMolay participation. The GC parade included a Mothers Club entry, the DeMolay band and chapter officers.

Miss Carson, 1970 Sweetheart, and Debby Thomason, first attendant, rode in Dave Stronhede's convertible in the parade here, while Miss Marson was in the Belleville parade. Officers marched at Belleville.

Summer Playground Workshop at SIU-SW

The fourth annual Southern Illinois Park and Recreation summer playground leaders workshop will be held on the Southwestern campus of Southern Illinois University today and Friday.

The workshops, co-sponsored by the Southern Illinois Playground and Recreation Association and SIU are designed to help student workers and directors gain insight into what constitutes a good playground program, according to Zedra C. Herrold, chairman of the health, recreation and physical education faculty in the Education Division.

Members of the SIU-SW faculty and area recreation directors will assist with the program, beginning with registration at 9 a.m. in the Meridian Room of the University Center. Debra Teason, coordinator of recreation for Cahokia, will serve as hostess.

The workshop is tied directly with a summer physical education course and interested students may receive credit in summer school.

SIU Papers Show Women's Lib not New

Woman's Liberation isn't such a new thing after all. Correspondence and related papers of the woman suffragist who ran for the U. S. presidency against Ulysses S. Grant have been acquired by Southern Illinois University's archives at Carbondale.

These concern the colorful Victoria Claflin Woodhull (1838-1927), who also was a spiritualist, free love advocate and stockbroker.

She and her sister, Tennessee Claflin, in 1870 founded the controversial Woodhull & Claflin's Weekly in New York, which was suppressed two years later. In 1883 she married a staid English banker and spent the remainder of her life in England. Mrs. Woodhull has been the subject of three books, "The Terrible Siren" published in 1928 and the recent "Mrs. Satan" and "Vicky".

Miss Kowalski is Art Scholarship Winner

Miss Gerlyne Kowalski, daughter of Mr. and Mrs. John Kowalski, 2220 Bern avenue, was recipient of the Granite City Area PTA Council's annual art scholarship award in recent ceremonies held at Granite City high school.

The award winner, a graduating senior who plans to continue her education in artwork at the university level, ultimately becoming an art teacher, was selected for the honor by Eugene Aiassi, art consultant for the Granite City schools and staff members in the high school's art department.

A portion of the monetary award was contributed by persons attending the recent "Face of Arts" show, held at GCHS Memorial gymnasium. The remainder was donated by PTA units and the area council, according to Mrs. Patricia Polley, cultural arts chairman for the local Parent-Teacher Association Council.

Mrs. Polley and Dr. Benjamin Rose, council president, made the presentation in the high school art department.

Registration Friday

GCHS Summer School Offers 16 Subjects

A full range of academic subjects will be offered students enrolling tomorrow in the 1970 summer school program at Granite City high school. Registration will take place at 8:30 a.m. Friday in the high school auditorium.

Summer classes are open only to students who reside in the Granite City school district, with payment of \$3 per pupil at the time of registration. The same fee applies whether students enroll in one subject or two—the maximum number allowed per pupil.

With exception of Driver Training (classroom or behind-the-wheel segments), those eligible to enroll in summer courses must be high school students. No student will be allowed to enroll in subjects for "no credit," Lawrence McCauley, GCHS principal said.

Driver Training Instruction also will be offered non-students between the ages of 16 to 21 years. Registrations for the Driver Training program will be accepted at 1 p.m. Friday in the high school auditorium.

High school pupils permitted to take the behind-the-wheel instruction must be 16 years old, or will reach their 16th birthday before the end of summer school on July 30. All enrolees in the behind-the-wheel class must have completed classroom work in the same course.

Specific forms, relating to Driver Training, require completion by the student/learner prior to starting the course, McCauley advised. Forms will be available tomorrow afternoon at the registration session.

Academic Courses
Courses in art and industrial arts also are offered in the summer program, the principal said.

Academic subjects include: English, 3, 4, 5, 6, 7 and 8; intermediate mathematics; algebra, 1, 2, 3 and 5; geometry, 1 and 2; college algebra (permission required); typing 1 and 2; stenography; 1 and 2; civics; social problems; world history, 1 and 2; and world geography, 1 and 2.

In order to take English 8, a student must be graduating in summer school, McCauley said.

Harmon Graduates at Westminster College

Lawrence Thomas Harmon, son of Mr. and Mrs. Thomas Harmon, 51 Janday lane, was among 112 men having completed major academic requirements for the bachelor of arts degree at Westminster College, Fulton, Mo.

Harmon majored in biology and was active in student events of the college. An honor student, he was a charter member of Westminster's new chapter of Beta Beta Beta national biological society and was recently awarded the \$120 Cameron D. and Jesse Day prize for excellence in the field of biology during the spring awards convocation.

He was a member of Zeta Tau Delta, honorary scholastic fraternity.

Anti-Riot Laws Sought by SIU Alumni Council

A resolution asking legislation to ban agitators and non-students from state university campuses has been adopted by the Legislative Council of the Southern Illinois University Alumni Association at Carbondale.

Laws with teeth in them are needed by university administrators to deal with students who engage in disruption and violence, according to views most often voiced by members of SIU's class of 1920 on Alumni day Saturday.

The Legislative Council addressed the following resolution to the governor, members of the Illinois Legislature and citizens: "The Association of Alumni and Former Students of SIU, through its Legislative Council and board of directors, strongly supports President Delyte W. Morris and endorses the recommendations he made recently to the Illinois General Assembly concerning needed legislation banning agitators and non-students from state university campuses."

Auto Rolls in Hole
The left front wheel of an auto driven by Harold B. Rose, 2028 Center street, rolled into a hole at 2208 Adams street at 8:40 p.m. Monday. The hole was barricaded by the Illinois Power Co., but the barricade did not block it. A wrecker was called to pull the car out.

concerning needed legislation banning agitators and non-students from state university campuses."

The sentiment expressed by the 50-year alumni was "the only way to prevent the kind of violence you had last month is to find out who the agitators are and get rid of them the first time they cause trouble."

They support Morris in closing the university in May in the face of possible bloodshed. "The university can't do anything unless the Legislature backs up the administration so that students who cause trouble can't get off lightly and hang around to cause trouble," said one. "There's no use having to deal with the same trouble-makers a half dozen times."

3 Girl Scouts To Take Part in Panorama City

Three Granite City Girl Scouts will attend Panorama City U.S.A. Aug. 21-Sept. 2 at Camp Juniper Knoll, the Girl Scouts of Chicago resident camp located at Elk Horn, Wis.

They are Linda Orin, Phyllis Barnes and Nancy Hodge of Granite City, and representatives from Belleville, DuPont, East Alton and Highland, all representing the River Bluff Council.

Participants will elect a city council and a mayor, who will be responsible for government. The purpose of the event is to offer senior girl scouts and ninth grade Cadettes the opportunity to plan and carry out projects described in the senior Girl Scout Handbook, through an experience in girl-operated city.

The girls qualified after submitting an application for a national opportunity to the national Girl Scout office. They were required to be either a senior scout or ninth grade Cadette to apply. The River Bluff Council made the final selection.

Jim Peters is Named To College Who's Who

Jim Peters, son of Mr. and Mrs. Carl Peters, 3001 Fehling road, a senior at Westminster College, Fulton, Mo., has been selected to be listed in the publication, "Who's Who among Students in American Universities and Colleges for 1970-71."

His scholarship and other activities merited his nomination by the committee at Westminster College, which is supported by another committee. His activities at Westminster included a resident assistantship for freshmen living units and participation in the Washington Semester Program at the American University in Washington, D.C.

He served as a legislative intern to U.S. Senator Ralph F. Abner and during the summer of 1969 he was Ambassador to Austria-Czechoslovakia for the "Experiment in International Living."

Peters, a member of the Phi Alpha Theta national history fraternity, is a two-year letterman in varsity baseball, was vice-president of his junior class, sports editor of the college newspaper and a member of the campus religion and life committee.

He is majoring in history and will complete his undergraduate work next April. On Friday he will leave for Army officers training at Fort Riley, Kan.

He has been in Vietnam since July 1969 and is expected to return home next month.

FREE TOUR LITERATURE AT HOLIDAY SERVICE

Art Studies Offered at SIU June 21-July 4

The starting gate is still open for more talented high school students to spend two days in full-time art studies at the Southern Illinois University-Carbondale campus, according to the School of Fine Arts.

A workshop for high schoolers, incoming freshmen through graduating seniors, will be conducted June 21 through July 4 by Sylvia Greenfield. Classes will include painting, drawing, ceramics and sculpture.

Housing will be provided in university residence halls, and students will be eligible to participate in university recreational and social activities.

The fee for resident students, including room and board, tuition, medical fee, tools and supplies, will be \$105. Commuter students will pay a \$20 fee plus \$20 for tools and supplies.

Application inquiries are to be addressed to Sylvia Greenfield, University School, Southern Illinois University, Carbondale, Ill. 62901.

SIU-SW River Festival To Feature 'Good' Food

Best sellers from last year's food lines at the Mississippi River Festival will be favored at this year's festival, which opens July 2 on the Southern Illinois University-Southwestern campus with a concert by the St. Louis Symphony under the direction of Walter Susskind.

According to G. William (Bill) Crabb, SIU-SW director of food services, best sellers last season were fried chicken, baked chicken, roast beef and pork chops. Sausagebrat was the most popular gourmet dish, Crabb said.

There will be gourmet food and regular fare available again this year, Crabb said. Food for the Thursday and Saturday night concerts will be prepared with the symphony crowd in mind. On Pop concert (Sunday) and folk-rock nights, "we will cater to the young crowd," Crabb said.

In addition to two buffet lines, which will open two hours before certain time with prices ranging from \$2.50 to \$3.95 per plate, two snack bar lines will offer chicken and box fish box offer chicken and fish box lunches with French fries, salad, roll and honey. The fish will sell for \$1.05 and the chicken for \$1.30, Crabb said. Picnic tables will be provided at the south side of the Festival site on Lewis road, just off Poag road.

Illinois Signs First New Service Careers Contract

The nation's first Public Service Careers contract to train the unemployed for state government jobs and upgrade present employees of state agencies has been signed by Gov. Ogilvie and Gov. Nicolini of the U. S. Department of Labor.

A total of \$850,000 in federal funds will be made available under the contract to train 500 persons for state jobs through out Illinois.

Nicolini, regional manpower administrator for the Labor Department, said Public Service Careers is a new manpower program created by the department to train unemployed men and women for civil service and other jobs with local, state

Rev. Cassidy Is Honored On Anniversary

Rev. Hugh P. Cassidy, pastor of St. Margaret Mary Church in Peoria, was honored by his relatives and friends, fellow priests and parishioners at a 25th anniversary banquet and reception this week.

The observance began with a mass of Thanksgiving with Rev. Cassidy concelebrated with Rev. William Stanley of Edwardsville and Rev. George Kearney of Morgan Hill, Calif. The homily was given by Rev. Charles Olschky of Farmersville.

Rev. Cassidy was ordained to the priesthood on June 3, 1945, by the late Bishop James A. Griffin in the Cathedral of the Immaculate Conception in Springfield, Ill. Since that time he has served as assistant pastor of St. Peter's Church in Quincy from 1945 to 1950 as assistant pastor of Blessed Sacrament Church in Springfield from 1950 to 1958.

He was appointed pastor of Sacred Heart Church, Franklin, Ill. in 1958 where he served until 1968. He was named St. Margaret Mary's in February 1969.

Eva Goodwin, outside guards, Edward D. Broyles and Mrs. Theresa Dabov and trustees, Jess Hadley, Bill Hemken, Ray Fritzsche, Mrs. Brenda Rickett, Mrs. Stella Miller and Mrs. Lucy Williams.

Mrs. Margaret MacZura sang the "Star Spangled Banner" following a flag presentation and also sang selections for the outgoing presidents, Tom Rickett and Mrs. Helen Frazier, and the incoming presidents, Mrs. MacZura was accompanied at the piano by Mrs. Ruth Evans.

The escort team was attired in pastel formal: Mrs. Marge Hall, Mrs. Ann Konoaka, Mrs. Katie Clark, Mrs. Dolores Klesh, Mrs. Helen Lipchik and Mrs. Norma Hemken. They carried long-stemmed flowers which they formed into an arch as the new officers came forward.

Rickett was honored as "Eagle of the year" and his mother was named "Auxiliary mother of the year." She was presented a gift from her granddaughter.

The retiring presidents, Rickett and Mrs. Frazier, were presented with their junior president rings and certificates into the Grand Aerie by Mr. and Mrs. Buehler.

Special guests were Mr. and Mrs. Kenneth McKinney of Nebraska, daughter and son-in-law, Ben Harolan and Mrs. of the new president.

State GOP Convention In Peoria, July 18

The Illinois Republican party will hold its state convention in Peoria on Saturday, July 18, it was announced today by state GOP Chairman Victor L. Smith.

Peoria was selected as the convention site in a recent meeting of the Illinois Republican State Central committee. About 1500 delegates from downstate counties and from wards and townships in Cook county will attend the convention to pick the party's candidate for trustee of the University of Illinois and adopt a platform for the 1970 election campaign.

Smith said the six standing committees for the convention will be named soon. These include: Permanent Organization, Credentials, Resolutions and Platform, Rules and Procedures, Arrangements and University Trustees. The convention will be held in the Pere Marquette hotel. The 1968 convention was held in Springfield.

Eagle Ceremony for Dennis Nemeth Sunday

Many Quad-Cityans plan to attend a public court of honor at 2:30 p.m. Sunday at the American Legion hall, 104 Market street, Troy, Ill., where Dennis Nemeth, 13, former Marshall school pupil, will advance to Eagle rank in the Boy Scouts of America.

He is the son of Mr. and Mrs. Donald Nemeth of Troy, former Granite Cityans. The second junior high school graduate is a nephew of Granite City Police Sgt. Joseph Nemeth.

He is the second Troy scout to earn the top rank after a span of over 30 years. As a youngster he enjoyed overnight camping when his father was a Granite City scoutmaster, and he registered as a cub scout as soon as he became eight years old, quickly advancing through the ranks.

In addition to required merit badges, he became skilled in rowing, canoeing, wildlife management, firearms, reading, reptile study, Indian lore, home citizenship, fishing, nature exploration, fingerprinting and agriculture. His civic projects were a traffic safety campaign and a federal bird census.

An Order of the Arrow honor camper, he was chosen to represent all Cahokia Mound Council scouts in presenting a response at the annual council appreciation dinner this year, held at SIU-SW.

Paddlers Outline Summer Program

Paddlers, Inc., board of directors met Tuesday evening in the library of St. Elizabeth Hospital with Dr. Ben Rose, vice-president, presiding, to announce plans for the summer season and approve new members.

New members approved were Mr. and Mrs. Randall Sigite, Mr. and Mrs. Tom Layloff, Mr. and Mrs. Leon Strougas and Mrs. and Mrs. Philip Thies. Eleven families were approved for summer membership closing the summer memberships at this time. Applications are still being taken. Mrs. LaVenka, membership chairman, announced.

A complete program of special summer activities has been planned by program chairman, Henry Lamb.

The housewives hour will begin on June 15 at 8 p.m. Lasting one hour daily, Monday through Friday, this program is devoted exclusively to exercises, recreational swims and instructions in swimming for beginners. Salad luncheons are held on Tuesday and Thursday. A barbecue will close the season at summer's end.

New members invited to attend the Get-Acquainted party at 4:30 on Saturday, June 20, to learn the functions of the pool. After June 11 reservations for the event will be accepted by Mrs. Betty Harmon and Henry Lamb, a potluck dinner will be featured with the main entrée included in the cost of the reservation. Games are planned on the deck and play area.

Two men's volleyball teams have been formed and are to play on Tuesday and Thursday evenings. A mixed team is being planned for the near future. Anyone interested may contact Charles Gauen.

Other parties for which plans have been completed are the pro-teen party July 8, a teen party for July 18 and the annual adult party is scheduled for Aug. 15. The next board meeting will be held on July 14.

It's a Grand Old Flag—Rules Given For Displaying the Stars & Stripes

(Tri-City and Illinois Bar Associations)

If you plan to display your country's flag on Sunday, Flag Day, now is a good time to learn how to do it properly.

Here are rules for displaying the Stars and Stripes on Flag Day, June 14, or at any time:

1. Never display the flag so that it touches anything beneath it—whether the ground, floor or any object.

2. Always fly the flag from the peak of any pole or staff except when it should be flown at half-staff on national or state days of mourning. The union (white stars in the blue field) should always be uppermost; the union may be displayed down only as a distress signal.

3. If the flag is to be displayed on a rope extending from the house to a tree or pole, it should be suspended vertically with the union away from the house and with the folds of the flag falling freely just as they would from a staff.

4. If the flag is displayed from a staff projecting horizontally or at an angle or from a balcony or front of a building, the union should be at the peak of the staff.

5. If the flag is displayed over the middle of a street, it should be suspended vertically with the union to the north or an east-west street or to the east in a north-south street.

6. When displayed horizontally or vertically against a wall, the union should be to the floor or upper right—that is, to the observer's left. If festoons, streamers or drapings are desired, bunting of blue, white and red (in that order with blue uppermost) should be used but never the flag.

7. If the flag is to be flown at half-staff, it should be hoisted to the peak of the staff for an instant before being lowered to a point midway between the top and bottom of the staff. The flag should again be peaked momentarily when the flag is lowered for the day.

8. Custom decrees that the flag should be displayed outdoors from sunrise to sunset. However, the flag may be displayed at night upon special occasions when it is desired to produce a patriotic effect.

Initially, plans call for the Quad-Cities, Later, if the attempt is successful, the county will consider similar steps in other sections.

The cost has not been estimated. The sewer will not be free, but federal tax participation the expense to individual families and businesses is likely to be reasonable.

It is almost certain to be a bargain compared to the cost, inconvenience and health hazards of not having sanitary sewers.

change in governmental policies as long as the majority votes for the change? These are only a few of the many rights allowed to Americans as citizens of the greatest nation ever.

To sum it all up as briefly as I can, I love America and everything that stands for. And when I hear of people degrading her, it is a personal insult to me, an American citizen who prides himself on his country.

INITIAL "PARADE OF FLAGS" SUCCESSFUL

To the Editor:

We, the Disabled American Veterans and Auxiliary publicly thank the many people and groups for making our first efforts of the "Parade of Flags" a success.

Two buglers playing "Taps" for us at the request of their music director, Mr. Meek of the High School Band, and Boy Scouts, our future leaders, participated and we feel they really made the event a success.

The Amvets and their Auxiliary posted the colors at the entrance and furnished us with two guards.

The Veterans of Foreign Wars posted their colors at another entrance and the American Legion and Kerry Hillier took an active interest in the affair and acted as guard duty.

We thank each family of the deceased whose flag was flown for responding to our call for flags to be flown in honor of those who fought for us and gave all.

Without these, we could have had no "Parade of Flags" to pay tribute to our honored dead. The park board and the city council allowed us to sponsor

County Has Adequate Jurisdiction to Aid Rural Areas in Obtaining Sanitary Sewers

Because many unincorporated portions of the Quad-City area lack sanitary sewers, there is much significance to the proposed Madison county sewer installation program, for which townships here are calling special town elector meetings June 22.

Advance engineering funds are to be provided by the four townships. Financing of the sewers themselves would be shared by the federal and county governments, with the county portion paid by users through a revenue bond issue.

Sewage treatment facilities associated with the new lines might qualify for state funds if a pollution bond issue is approved by Illinois voters in November.

Sponsorship by the County Board of Supervisors has the advantage of avoiding jurisdictional questions.

Sewer need go beyond governmental boundaries, and arbitrary geographic limits complicate and sometimes prevent efforts to provide desired services. This will not be a problem for Madison county, which covers all 24 townships and can focus on those areas lacking sanitary sewers, omitting the ones already served. Through revenue funding, only those who benefit will be charged.

Initially, plans call for the Quad-Cities. Later, if the attempt is successful, the county will consider similar steps in other sections.

The cost has not been estimated. The sewer will not be free, but federal tax participation the expense to individual families and businesses is likely to be reasonable.

It is almost certain to be a bargain compared to the cost, inconvenience and health hazards of not having sanitary sewers.

efforts by citizens, city officials and the U. S. may go a long way toward remedying this by providing a number of new and better residences.

Housing plans include an urban renewal area in North Venice and a code enforcement designation for other parts of the city.

Venice renewal is to take the form of razing substandard housing and replacing it with new homes. Property owners are to receive funds for their dwellings which can then be used as a substantial down payment on a new structure on the same site.

On the other hand, low-income homeowners will become eligible for grants of up to \$3500 for home repairs; loans for funds in excess of the \$3500 will be available at 3% interest.

Federal tax money is to make up 75% of the overall budget, with the 25% city share including credit for expenditures already made or scheduled, including demolition work, planning and city improvements carried out in renewal areas.

Residents will follow the preparations with great interest, and they hope for implementation soon—before federal appropriations in this field are exhausted.

Prospect of Sharp Political Shifts Clouds Presidential Guessing Game 'Crystal Ball'

The whole political spectrum is showing signs of changing its usual moorings this year due to the intense feelings engendered by campus unrest.

For example, U. S. Senator Ralph T. Smith, a Republican, may receive many usually Democratic votes from "hard hat" workers and the concentration toward the left toward college students and violence. His opponent, Sen. Frank Chabot, a Democrat, may draw support from the GOP wing which sees recent events as a threat to civil liberties.

Whether the situation will lead to a permanent shift in political party allegiances, or perhaps to new major parties, is unknown but the complex and guessing games over future national leaders.

John D. Rockefeller IV, Secretary of State of West Virginia, has gained mention as a probable future Democratic candidate for President. David Eisenhower is viewed as a surefire Republican aspirant for the office in the 1980s or 1990s. But by then the whole political process may be even less tidy than it is today, with an individual's image less of a factor than his knack at patching together coalitions of diverse voting factions to obtain majority support.

Where a deputy assessor has called and left a carbon copy of the original, the carbon copy need not be sent in.

At this time, city and state traffic experts tried to convince motorists that it was not feasible to slow traffic that much on the third-most-traveled street in our city.

Now we are shocked to learn that a Salvation Army rec center facility is proposed at 3221 11th Avenue, near the intersection of 11th and 12th. Those attending activities at this location would have only one access—from Johnson road.

The increased auto and bus traffic would endanger children and everyone in this neighborhood. These streets are already traveled beyond their capacity.

Lack of sidewalks and poor drainage on the west side of the intersection make this an unwise selection.

When residents of the Quad-Cities are asked to contribute to the Salvation Army's new rec center, they should be aware that it will be on an inaccessible site far from those who need its charitable services and would welcome them.

A CONCERNED MOTHER

MADISON TAVERN HOUSES ENDANGER THE PUBLIC

To the Editor:

Some of the members of the Madison Aldermen fighting Mayor Kozielek's recommendations to improve the city with a unitary government are not doing so.

How long will it take before they see the light? Are they going to face a policeman's widow or some other innocent victim's family?

Are the citizens of Madison aware of all the shootings, fights and violence that occur during these late hours? Are they aware of the political trouble is caused by citizens living outside of our community?

Ask your alderman what he is doing for you and the good of your community. Is your alderman letting his political prejudices interfere with his obligations to the citizens of his ward?

Let's do something to improve our city. Let's go "all the way with RKE." Retain Mayor Kozielek, a man doing his best to give the people an honest city government.

Steel Scrap Shortage Can Cause Serious Inflation, Unemployment

(Increased exports of steel scrap have created a serious raw material shortage for U. S. mills, including Laclede Steel Co. The following questions and answers explain the seriousness of the problem.)

Q. Why is the exporting of scrap suddenly creating a shortage?

A. While we have consistently exported scrap to other countries, there is now an unexpected world demand for steel which has resulted in a significant increase in scrap usage.

Raw steel production in the United States reached an all-time record of more than 141 million tons in 1969. The boosted domestic scrap purchases from 28.6 million tons in 1968 to 32 million tons in 1969.

At the same time, there has been a tremendous increase in the foreign demand for U. S. scrap. For example, Japan's scrap imports rose from 1.5 million tons in 1968 to 2.5 million tons in 1969 and may reach 12 million tons in 1970, almost double the 1968 tonnage.

This has caused a serious scrap shortage for U. S. steel mills.

Q. Why is scrap important to the steel industry in the U. S.?

A. People not familiar with the steel industry in this country are often surprised to learn that scrap is so much worthier junk. Scrap is, however, a vital raw material for the steel industry.

The better grades of scrap are composed entirely of quality steel. Even poorer grades contain a higher iron content than the richest iron ore.

Forty or more small steel producers depend entirely on scrap to produce approximately 8 million tons of raw steel annually. The large integrated producers buy more than four times as much scrap as the small mills mentioned, in addition to their use of iron ore.

Q. Why don't domestic steel mills use more raw material other than scrap?

A. This would require additional blast furnaces and other very expensive equipment to refine iron. It takes a tremendous amount of money and two or three years to build a blast furnace with its supporting facilities.

The electric furnaces of the smaller mills are designed to use scrap exclusively and the cost of blast furnaces would be far beyond their financial capabilities.

When the available blast furnaces in this country are working at capacity and the demand for raw steel suddenly increases, only the scrap market can quickly provide raw material for added production.

Q. What effect does a scrap shortage have on domestic steel producers?

A. It drastically increases their raw material costs.

In a free market, the price of scrap fluctuates seasonally under the law of supply and demand, with small inflationary increases over a period of years. If prices rise far beyond this pattern, it is apparent that the demand exceeds the supply.

Thus, the both domestic and foreign producers needed more scrap during 1969, the price of scrap skyrocketed.

In January 1969, No. 1 Factory Bundles were sold at auction from the Ford Motor Plant in Chicago area for \$84.45 per gross ton. This was in line with the price in the three preceding months.

In March 1970, the same grade was auctioned for \$85.35, an increase of \$0.90 per gross ton.

SIU's Old Main Bldg. Salvaging Still Goes On

The labored clutter of a diesel-powered salvage crane marked the lone memorial at Southern Illinois University's Old Main building on the first anniversary of its final fire at Carbondale.

The building was ravaged by a fire on the morning of June 8, 1969. Investigators said it was started by an arsonist.

A year later, only one corner of the first-floor foundation wall still stands. A salvage and demolition project will be completed when the prized remains of Old Main are catalogued and stored, the rubble carted away, and the central-campus site restored as an open, grassy mall.

32 Nursing Students To be Capped Friday

Two Granite City nursing students are among 32 at Southern Illinois University-Southwestern who will be capped and pinned by their dean, Prof. Lucille McClelland, at 7:30 p.m. Friday in the Communications building theater.

They are Mrs. Anne Harper, 3306 Wilshire drive, and Mrs. Jane Tobey, 2011 Iowa street.

The following evening they will receive their bachelor of science degrees in nursing. The ceremony with words of welcome will be conferred by SIU's President Delyte W. Morris.

The capping ceremony has been planned by the junior class of nursing students in honor of the graduating seniors. Opening the ceremony with words of welcome will be Chancellor John S. Rendleman.

Principal speaker will be State Sen. Merrill Ottwein, Ottwein, who received his doctor of veterinary medicine in 1966 from the University of Illinois.

Following the Friday night ceremony, the nursing faculty will hold a reception in the lobby of the Communications building for the degree candidates and their families and friends.

Plans are to use as much of the original building materials as possible in future construction and landscaping. It is expected that many items, such as original brick and hand-made nails, will be packaged and made available as souvenirs.

Old Main was first opened for SIU's inaugural class in 1874, then was destroyed by a fire in 1883. The four-story edifice erected on the original foundation remained as the University's major classroom building until the 1960's.

Despite a \$10,000 reward and an intensive investigation, no firm lead has ever developed in the search for an arson suspect.

Two pre-fabricated steel buildings were erected on the east side of SIU's campus to replace many of the classrooms lost at Old Main. The SIU Museum — whose losses were light despite the intensity of the fire — was moved to several outlying houses. Bids will be taken this month on another steel pre-fab building for museum offices and storage.

A glass box behind the original Old Main cornerstone was removed in May. Its contents — including documents and messages from the 1870's — were unaffected by two fires, but were damp and moldy, perhaps from the water used in putting them out.

Miss Timko Graduates Cum Laude at St. L. U.

Janice L. Timko, 1654 Sixth street, Madison, was graduated cum laude at commencement ceremonies Saturday at St. Louis University.

She received the honors bachelor of science degree in chemistry from the college of arts and sciences. Others receiving degrees were:

Sister Bernardina Maria Poonthottam, O.S.U., of St. Elizabeth Hospital, master in hospital administration; Joachim O. Bauer, 3214 Princeton drive, doctor of dental surgery; Kenneth A. Rongey, 2901 Grand avenue, doctor of medicine; Larry A. Calvo, 3001 Maryville road, bachelor of science in commerce, marketing; and Michael J. Pitzer, 1708 Fifth street, Madison, bachelor of science in commerce, finance.

WARREN JOSEPH
Graduate School Dean

Warren Joseph, assistant to the chancellor for academic affairs, has been named acting dean of the graduate school at Southern Illinois University-Southwestern.

The appointment was announced by Chancellor John S. Rendleman, with the approval of the graduate council. A committee has been appointed to begin searching for a permanent appointee.

Appointment of Joseph follows a decision by the university's board of trustees to establish separate graduate schools on the southwestern and Carbondale campuses. Previously the single graduate school has been administered from Carbondale.

Joseph, a professor of music, joined the SIU-SW faculty in 1965. He was formerly head of the music department of Eastern Michigan University and is an authority on adolescent vocal growth. He is a nationally known composer.

A native of White Plains, N. Y., Joseph is a graduate of New York State University at Potsdam and earned a doctoral degree from Boston University. He is listed in Who's Who in American Education, Who's Who in the Midwest and the Dictionary of International Biography. He is a member of Delta Kappa, Phi Mu Alpha and Pi Kappa Lambda.

As an assistant to the chancellor, Joseph has been responsible for academic personnel, academic personnel budgeting and development of new academic programs.

Kathleen Aubrey Given Math Fellowship

Miss Kathleen S. Aubrey, daughter of Mrs. Sidney L. Aubrey, Granite City, received a bachelor of arts degree in mathematics from Washington University last week, graduating summa cum laude, and will begin graduate study this fall.

Miss Aubrey is a member of Phi Beta Kappa, the national honor society for students in the liberal arts, and was honored at the annual Eliot honors assembly.

During her freshman year, which she spent at the University of Illinois, she was an Edmund J. James Scholar and a member of Alpha Lambda Delta.

She has just completed practice teaching at University City high school and has accepted a National Science Foundation fellowship in mathematics for advanced study at the University of Illinois.

\$1000 Grant for SIU

Geigy Chemical Corp., a New York based firm, is making a \$1000 grant to Southern Illinois University-Carbondale for 1970-71 research by SIU plant geneticist Oval Myers, associate professor of plant industries and botany. His project, "A Study of the Morphological Effects of Primase Susceptibility and the Genetic Basis of Primase Tolerance in Maize," will be concerned mostly with using the firm's herbicide, Primaze, on numerous strains of corn.

Busy July Planned For 58er 4-H Club

The 58ers 4-H club met last Harriet Bunselmeyer and Mrs. Harriet Bunselmeyer and Mrs. Eva Mueller, at St. John's United Church of Christ on Nameoki road. President Janice Mueller and Kim Hunt, opened the meeting aided by Chrissy Lombardi and Patty Bade.

A food demonstration will be given at the Farm Bureau in Edwardsville on July 1. Families and friends are being invited to attend the club's "local achievement day" program on July 8 at 7:30 p.m. at the church.

"County achievement day," featuring competition between all 4-H clubs in Madison county, will take place at the Farm Bureau auditorium in Edwardsville July 9 and 10.

THORNTON GARDEN CLUB HOLDS ANNUAL GUEST DAY. The Thornton Garden Club held its annual "guest day" for local garden clubs Tuesday on the front lawn of the home of Mrs. Mary Markham of Rural Route Two.

Clubs represented were the Garden Study, Gardenaires and Terrace Garden Club.

Final Effort Made for Complete Census Count

A last-round effort is being made by the Bureau of the Census to have everyone included in the 1970 census.

"If you think you or your family might have been missed, fill out the 'Were You Counted' form printed today by the Press-Record as a public service," the Belleville census office advises.

"Cut it out and mail it to the address shown on the form, 1119 East Main street, Belleville, Ill. 62220. It will be checked against the master address list for your area so there is no chance of an individual or household being counted twice."

The appeal is being made by Walter L. McInnis, district manager of the 1970 Census of Population and Housing, who says that the "Were You Counted" campaign is in the final phase of the census. It is conducted to insure that no one is overlooked.

A few days before April 1, Census Day, questionnaires were mailed to all residential addresses in the area. They were to be filled out and mailed back on April 1.

After about two weeks, the Census Bureau hired and trained local residents as census takers and sent them out to call at the homes from which no questionnaires had been received. They also had to call at some households because

A brunch buffet was served, the menu including strawberry punch, decorated loaf sandwiches, strawberry and plum gelatin, large whole strawberries, decorated cookies and coffee. Co-chairmen for the brunch were Mrs. Betty King and Mrs. Pa Polley.

The tables were decorated in blue and champagne with favors of live potted plants and artificial butterflies.

The president, Mrs. Wanda Kincaid, welcomed all and Mrs. Ida Hanfeler offered the invocation. Games were played and prizes were won. A ways and means table, to help finance the host club's work at the Alton State Hospital, offered note paper and gift tags.

The next regular meeting of the Thornton club will be July 14, when it will give a regular party for 30 patients at the State Hospital. Assisting there is the club's year-round project, Mrs. Lillian Peltz, who will be chairman for the party.

Guests at the brunch included Mrs. Maggie Palmer, sister of Mrs. Ida Hanfeler, visiting here from her home in Greenville, Tenn., and Mesdames Frances Williams, Valerie Theis, Mary Mang, Jerry Short, Ruth Malott, Shirley Flynn, Margaret Kerchhoff, Kathryn Flaxbeard, Betty Red, Jackie Hackel, Shirley Schilling and Darlene Williams and Miss Jean Bethel.

Other members present were Mesdames Dorothy Staedt, Clara

Schilling, Pearl Young and Beulah Miller, and Miss June Harkham.

TROOP 704 AWARD TEA

A court of awards and an international tea were held for Webster PTA's Junior Girl Scout Troop 704 Monday evening at the school.

The program opened with a flag ceremony led by Tammy DePew, with Karen Lee and Linda, Pool as flag bearers. Mrs. Mae Lee and Mrs. Betty Van Gilder are the troop leaders.

Troop patrol and individual badges were presented. Scouts presented with the sign of the arrow were Linda Pool, Cheryl Brinkley, Danna and Tammy DePew, Becky Schorfeide, Shelley Siebert, Leila Tervall, Karen Toland and Vicki Williams. Receiving the sign of the start were Carole Griffin, Linda Pool, Patty York. All the scouts received the health, home and safety, drawing and painting, the foil and community safety badges.

A "scout's own" ceremony was conducted and the girls renewed their ten laws and the promise.

Each patrol selected a theme to portray in a dessert lunch. The Busy Bee patrol, led by Enid Cox, chose Germany. Seven stripes patrol, Carol Griffin, Hawaii, Dogwood patrol, Vicki Williams, France and Shipmunks patrol, Leila Tervall, American Indians.

Refreshment tables were decorated in red, white and blue and each girl was hostess for her parents.

Attending were those mentioned and Mary Kay Chapline, Tammy Fricks, Carina Kuhn, Carolyn Norris, Shirley Patton and Janice Van Gilder.

Guests were Mr. and Mrs. John Chapline, Mr. and Mrs. Don Williams, Mr. and Mrs. Patton, Mrs. James Fricks, Mrs. Richard Kuhn and sons, Ed, and Carl, and Mrs. York, Mrs. Eldon DePew, Mrs. Harold Pool, Mrs. Mike Patrick and Clyde Lee.

Special guests were two new members who "flew up" recently, Cheryl York and Jackie Chapline. Mrs. York presented them with the troop crest.

Weekly meetings will resume in September.

Special Elector Meetings Set To Aid Sewer Plan

Officials of the four townships of the Quad-City area announced today plans for a series of special town meetings in which electors will be asked to approve funds to finance an engineering survey and feasibility study for an area-wide sanitary sewer project that could be built with federal aid under county sponsorship.

Three of the special elector meetings are scheduled next week and the last will be held on June 29. All of the meetings will be night sessions.

The schedule follows: Granite City township—Tuesday, June 23, at 7 p.m. in the courtroom on the third floor of the city hall.

Nameoki township—Monday, June 22, 7 p.m. in the Nameoki town hall, 4250 Highway 162.

Venice township—Wednesday, June 24, 8 p.m. in the council room of the Venice city hall.

Chouteau township—Monday, June 29, at 8 p.m. at the Fun and Sun.

To Amend Budgets
In each instance, electors of the four townships will be asked to amend the 1970-71 appropriations and tax levies to provide an additional \$8000 from each township to pay for the engineering study. The additional appropriations would provide a total of \$32,000.

Harry Briggs, supervisor of Nameoki township and chairman of the committee of Quad-City area supervisors which is mapping the sewer project, said the fund should simply cover the cost of the planning and feasibility study.

Other members of the committee are Supervisor Nelson Hagmann of Granite City, township supervisor Arthur "Cooper" Moore of Venice township and supervisor Walter Sparks of Chouteau township.

Sponsored by County
Briggs pointed out the sewer program would be developed by the county and not as a township project. Under new federal funding programs, funds are available to counties for development of area sewer projects in unincorporated areas.

Briggs said the Quad-City area was chosen by the Madison county board of supervisors as the most likely starting point in a county program of sewer improvements. If the sewer project eventually is constructed in the Quad-City area, it could be expanded later to include adjoining areas, Briggs said.

The project would be financed with revenue bonds that would be retired with sewer fees paid only by those who used and benefited from the sewer installation.

9 Day Trail Ride Planned in August At One-Horse Gap

The fourth annual nine-day Trail Ride sponsored by the Associated Saddle Clubs of southern Illinois will start on Aug. 1 and end Aug. 9 in the Shawnee National forest. The campsite will be located about eight miles north of Golconda, Ill., near One Horse Gap. There will be no charges for camping.

A restaurant will be located on the grounds with a screened-in dining room, and horse feed will be for sale on the grounds.

The trails are in a wooded area. There are a few trails like One Horse Gap and Indian Kitchen where the trails are steep and rocky. All rides have one or more trail bosses who know the country and know how to lead riders in this country. All day as well as half day rides and moonlight rides have been planned.

Anyone desiring more information may contact Glenn "Abe" Martin, publicity chairman for the Southern Illinois Associated Saddle Clubs.

Show on Antiques Set on Channel 9

National syndicated columnist Ralph and Terry Kovel will discuss and show antiques from Mason jars to Chippendale chairs in "Know Your Antiques," a 10-week series to be telecast on Kets, Channel 9, at 9 p.m. Wednesdays, beginning June 17.

Two sets, an 1890-1910 grocery and a turn of the century Edwardian drawing room, will provide the backdrops for the programs, and many of the articles used to complete them will be from the Kovel's own basement, which are items collected over the past 15 years.

Their book, "The Complete Antiques Price List," will be sent to members for \$6 and non-members for \$16 and the book "Know Your Antiques" to members for \$7 and non-members for \$17. Requests may be sent to KETS Channel 9, 6996 Millbrook blvd., St. Louis, 63130.

Pre-School Classes at Park Start Next Week

A pre-school program for children four and five years old who reside within the Granite City park district boundaries will start Monday morning at the Wilson Park rink pavilion.

Present plans call for four classes with about 35 children in each class. Each group will meet twice-a-week, with children permitted to attend only one class. Sessions are scheduled from 8:30 a.m. to 11:30 a.m. and from 1 p.m. to 3 p.m.

Although headquarters for the pre-schoolers will be at the rink pavilion, the children will spend most of their time in the park area, Harold Brown, superintendent of parks noted.

Activities offered in the eight-week program will include arts and crafts, storytelling, group games, hikes through the park and singing.

The only charge made to participants is a daily fee of ten cents for a treat, Brown said.

In a related program, youngsters too old for the pre-school class, but too young to take part in the regular summer recreational program at ten area centers, may enroll in a kindergarten program. Boys and girls who attended kindergarten the past school year are eligible.

Two classes will be held—Monday and Thursday from 1 p.m. to 3 p.m. and Tuesday and Thursday from 11:30 a.m. to 1:30 p.m. All will be conducted at the Wilson Park pavilion and adjacent area.

Kindergarten and pre-school pupils are required to pay the \$1.75 insurance fee, which covers the child through April 1971, the park official said.

Woman's Wallet Stolen

Sandra L. Thomas, Edwardsville, reported to Granite City police at 3:35 p.m. Monday that her wallet was stolen at a union hall in St. Louis. She is employed in Granite City.

GC Summer Program Registration Monday

Registration for the Granite City park district's annual summer recreation program for second through sixth grade youngsters will take place at 9 a.m. Monday at recreational centers throughout the community.

Children wishing to participate in the eight-week summer activity program are directed to register at the center nearest their own home.

This year, centers will be located at Logan, Marshall, Parkview, McKinley, Niedringhaus, Nameoki, Webster, Wilson and Washington grade schools; the park district community center, 822 Niedringhaus avenue and at the Salvation Army Center, 1412 Nineteenth street.

On Tuesday, the program will get into full swing with sessions held from 9 a.m. to noon and from 1 p.m. to 3:30 p.m., each weekday.

Varied activities ranging from arts and crafts to free swims and special field trips are planned for the children. Each week, there will be a special event at all play-grounds, such as pet shows, bike rodeos, scavenger hunts, marble tournaments, or similar contests.

Other projects include story-telling, singing, free movies, picnics, games and Junior Olympic Games. Trips are being arranged which take the participants to the St. Louis Zoo and Grant's Farm. A playground softball league for boys and girls also is being organized.

No charge is made for participation in the summer program for children residing within the park district's boundaries. Harold Brown, director of Granite City parks and recreation announced. He added the only exception to the no-charge rule will be for expenses incurred during the special outings to St. Louis.

Brown reminded parents that each youngster is required to pay a \$1.75 insurance fee, which will provide up to \$500 for doctor and medical services and \$2500 for death or dismemberment. Coverage under the \$1.75 plan will continue until April 30, 1971, also protecting the child in winter park-sponsored activities, he pointed out.

Veterans Insurance Pamphlet Available

Free pamphlets on veterans' government life insurance programs are available at Veterans Administration offices. The booklets contain a section on general information about National Service Life Insurance policies. There are chapters dealing with designation of beneficiaries, optional settlements and total disability income provisions.

The VA says these pamphlets contain only general information, and that specific information about individual policies should be requested from the VA Center where the veteran's insurance records are kept.

Kozielek Auto Smashed

Vandals poured a liquid substance which police said was believed to be shellac over the trunk and rear bumper of a 1970 model auto owned by acting Mayor Ray Kozielek of Madison, police reported Monday.

The vandalism occurred while the car was parked at the mayor's home, 1701 Sixth street.
